By the early 1940s, Asansol was established as an important industrial belt and thereafter arose the need to boost educational facilities in the area. With such an objective in mind, Prof. Satyakali Mukherjee submitted a proposal to inaugurate a college for the first time in Asansol to the then chairman of Asansol Municipality Mr. Jogendranath Roy and the then S. D. O. Mr. Woodford, I.C.S. This noble endeavor was supported by eminent personalities of the day as well as the general populace, who donated generously for the establishment of a higher educational institution.

Owing to the initiative taken by Mr. G.S. Atwal, a business luminary of the day, the institution came into being on 16<sup>th</sup> July 1944, with strength of 132 students, enrolled in the I. A. class. Asansol College, as it came to be known, was affiliated to the University of Calcutta. It was originally situated at Atwal Nagar (presently Budha Nagar, Asansol). Later, with a magnanimous donation from Late Banwarilal Bhalotia, the present main building was constructed on an acquired land of 20 big has. The foundation stone was laid by Dr. Bidhan Chandra Roy. The newly-constructed college building (the present Old Building of the college) was inaugurated by the then Vice Chancellor of Burdwan University, Sri S.K. Guha, and the college was renamed Banwarilal Bhalotia College.

Presently affiliated to Kazi Nazrul University, B. B. College is one of the leading educational institutions in Asansol, providing both general and technology-based education. The college is blessed with a beautiful campus, spacious classrooms, well-equipped laboratories, adequate computer labs, well-stocked libraries and a playground. Besides traditional undergraduate and post-graduate courses in various subjects of Arts, Commerce and Science streams, the college, in tune with the changing needs of higher education, has introduced courses like B.B.A., B.C.A., Environmental Sciences and Water Management, and training courses in dry farming, cultivation of aromatic and medicinal plants, mushroom, lac cultivation, vermi-composting, sericulture and soil water analysis. The college runs three distance education centres of IGNOU, NSOU and MANUU. In 2010, the college was declared as "Centre with Potential for Excellence" by the UGC.

## About the College

*Our Old Heritage  
Building Science  
Commerce Block*

**"Only Education Can Provide  
Individual And Societal Welfare"**

*-Biswar Chandra Udayasagar*

In 2011, it received Rs. 50,000 as seed money for the development of Basic Scientific Research (BSR). In 2012, the UGC introduced three career-oriented courses in Functional English, Mobile Repairing and vermicomposting, which were run successfully by the college for three years. The college has been re-accredited (cycle 2) by the NAAC with grade B+ in 2020. We are confident that, with honest and diligent effort, we will scale greater heights in future.

## BANWARILAL BHALOTIA COLLEGE: OUR COMMITMENT TO SOCIETY

### VISION

The vision of Banwarilal Bhalotia College is to provide comprehensive education to enable the understanding of human values, professionalism, social responsibilities and political awareness; thus inculcating a scientific bent of mind in all sections of students, including scheduled castes, scheduled tribes, other backward communities, economically challenged students and religious minorities, with special focus on female students.

### MISSION

- ✓ We aim to provide profuse scope for versatile development of the youth, irrespective of caste, faith, gender, economical background, and religious or political affiliations.
- ✓ To provide quality education to the students of all shifts and streams.
- ✓ To develop academic programmes based on local/regional/national needs.
- ✓ To pursue student-centric learning for self-development and skill development among students.
- ✓ To nurture social and environmental awareness and responsibilities among students.
- ✓ To introduce advanced technology into our existing academic system.
- ✓ To create a more affable atmosphere in the academic periphery.

## CORE VALUES AND INSTITUTIONAL BEST PRACTICES

As much as we encourage diversity in thoughts and ideas amongst members of the B. B. College family, we understand that an organization or individual must abide by certain core values and principles. As an educational institution, these fundamental beliefs guide the behaviour of all members of our family, both within campus as well as in society at large. Thus, it is expected of our students to inculcate these values as defining qualities of their character:

- ✓ **Strong work ethics**
- ✓ **Positive attitude**
- ✓ **Honesty and integrity**
- ✓ **Sense of responsibility, towards others as well as towards oneself**
- ✓ **Self-confidence and the ability to motivate oneself**
- ✓ **Adaptability**
- ✓ **Loyalty**

We believe that our core values are in tune with the words of some of the legendary builders of our great nation:

*Education is the manifestation of the perfection already in man*

- Swami Vivekananda

*"Earth provides enough to satisfy every man's needs, but not every man's greed."*

- Mahatma Gandhi

- ✓ We believe that the best practices of our institution find validation in the fact that, each year, numerous students, their number always higher than the previous year, apply for admission to our college. Besides the pursuit of academic excellence, these practices are meant to motivate students so that they are able to develop themselves into educated men and women, ready to carve a niche for themselves in society. Some of our best practices include:
- ✓ B. B. College has adopted a village called Namojamdoba, situated in the district of Paschim Bardhaman, West Bengal. We have put in an honest effort to ensure that our lesser-privileged brothers and sisters become self-sufficient through various practices that the College pilots for their economic and social advancement. For instance, the College has trained the rearing and cultivation of tasar silkworms, advanced methods of paddy cultivation, vermicomposting, and various other activities. Through such community development initiatives, we believe that we are able to make a difference in the lives of those less fortunate than ourselves, and thus, fulfil the responsibility of humanity.

## CORE VALUES AND INSTITUTIONAL BEST PRACTICES

The administration of the college adheres to absolute transparency in financial, administrative and other areas. Admission is a fair, online process which is strictly based on merit, and in accordance with the government's reservation policy. The portal for online admission is visible on the institutional website. All academic and non-academic activities of the college are strictly monitored by various committees under the aegis of IQAC, to ensure smooth and non-prejudiced functioning. The books of accounts of the college are subjected to internal audit by qualified Chartered Accountants which are followed by statutory audit by the Government appointed auditor, to ensure financial discipline. Further, all transactions are routed through banks to avoid unwanted cash handlings.

B. B. College is committed to provide value-based education to the highest possible number of candidates. However, like in the case of any other higher educational institution, we are constrained by rules and regulations set forth by the UGC and our affiliating university. Thus, many interested candidates are not able to enroll themselves to our full-time courses. Various academic, social and financial challenges often keep large sections of our society beyond the purview of conventional modes of education. In order to cater to such pressing needs, the College runs three Distance Education Centres to provide quality education, with proper recognition and affiliation, to a large number of people. These Distance Education Centres include Netaji Subhash Open University (NSOU), Indira Gandhi National Open University (IGNOU), and Maulana Azad National Urdu University (MANUU).

We, at B. B. College, believe that there is no room for complacency in the march towards perfection. Thus, we eagerly look forward to our students joining hands with us and adding further dimensions in shaping our College into an educational institution that nurtures and thrives on excellence.

## IMPORTANT EVENTS IN THE HISTORY OF B.B. COLLEGE. ASANSOL

<b>Feb 1944</b>	Inaugural meeting on the proposal of opening a college at Asansol
<b>July 1944</b>	Inauguration of the College
<b>Aug – Sept 1944</b>	Affiliation to the University of Calcutta as Intermediate College with Arts Subjects
<b>1945 – 1946</b>	Affiliation to the I.S.C. Standard
<b>1947 – 1948</b>	Affiliation to B.A (Pass)
<b>1956</b>	Recognition as Govt. Sponsored College
<b>1960</b>	Affiliation to the University of Burdwan with B.Sc (Pass)
<b>1960 – 1961</b>	The college was renamed as Banwarilal Bhalotia College.
<b>1961 – 1962</b>	Introduction of Honours Courses in English, Economics, Political Science, Bengali, Chemistry, Mathematics, Physics and Accountancy.

<b>2014</b>	<p>Introduction of M.Sc.course in Zoology &amp; M.A.course in Hindi.</p>
<b>2015</b>	<p>Hon'ble Chief Minister, along with President of the GB inaugurate Hindi medium shift in which students will get B.A, B.Sc &amp; B.Com Hons and Genl. Degree.</p>
<b>2016</b>	<p>New administrative building is constructed and the construction of separate building for Hindi medium shift is initiated.</p>
<b>2017</b>	<p>Biometric attendance system was introduced for all Teaching and Non-Teaching Staff. The CCTV surveillance of the college premises was extended. A virtual class room was constructed on the first floor of the New Administrative Building. The college playground was renovated.</p>
<b>2018</b>	<p>The construction of Hindi-shift building was completed in all respects (including water connection, electricity, drainage and boundary wall). Classes for the Hindi shift scheduled to start in the forthcoming session in the new building.</p> <p>A new road was constructed to connect the Hindi-shift building to the college and CCTV was installed for safety and security.</p>

## IMPORTANT EVENTS IN THE HISTORY OF B.B. COLLEGE. ASANSOL

### 2018

The construction of a garden, along with a fountain, facing the Arts Building has enhanced the beauty of our campus. The college has also undertaken a Mulberry Project in joint collaboration with West Bengal Sericulture Department.

A new concrete road has been completed in place of the kaccha road in college campus, starting from G.T. Road college gate.

A central computer Lab has been constructed inside the college campus. The Lab is utilized for conducting internal assessments online, and for classes whenever necessary.

To create better sports facilities for our students, the college playground was renovated and the drainage system has been improvised so that there is no water logging in the playground.

Paschim Bardhaman District Youth Science fair competition 2018-19 was held on 14<sup>th</sup> & 15<sup>th</sup> Sept 2018 in our College and our students from Physics department were awarded first prize. Student Youth Cultural Programme 2018-19 of Youth and Sports depts, Govt. of W.B., was successfully organised in our college.

### 2019-2020

The highlight of the year 2019 was the much-needed completion of the NAAC accreditation process (cycle 2) of our college. Banwarilal Bhalotia College was re-accredited by the NAAC with grade B+ (CGPA 2.51). We are confident that, armed with necessary insight and experience about the NAAC accreditation process, we shall considerably improve ourselves in the forthcoming cycles of accreditation.

The College completed its 75 years and as a part of Platinum Jubilee Celebration, series of year-long cultural programmes, seminars, quiz and sports competitions were organized, along with a Grand Platinum Jubilee Rally (held on 2<sup>nd</sup> February, 2019).

New Hindi Shift building was inaugurated by Dr. Partha Chatterjee, Hon'ble Minister, Deptt. of Higher Education, W.B, in presence of Sri Moloy Ghatak, G.B President and Hon'ble Minister Law & Labour & P.H.E. Deptt, Govt. of W.B.

Concretization of roads was completed. Green saplings were planted to further beautify our campus and add to its environment-friendly nature. After a lot of hard work, we have successfully conducted online internal examinations for students all semesters. Another Green Generator of 64.5 KB has been installed in addition to the two existing green generators.

### 2020-2021

To tackle the lockdown induced by the pandemic, a special portal named "Electronic Resources for Remote Learning During COVID-19" has been generated on the home page of the College Website for the easy access of electronic study materials (including PowerPoint presentations, lecture notes, e-books, video lectures etc.) prepared by our faculty members. Though the worst of the pandemic is behind us, these resources continue to admirably aid our students.

Central Computer Lab has been remodelled with a complete setup of 100 computers where the students sit for their computer practical classes. This Central Computing facility is also utilised for Internal Exams and different competitive exams as conducted by NTA.

## IMPORTANT EVENTS IN THE HISTORY OF B.B. COLLEGE. ASANSOL

### 2020-2021

New Certificate courses have been started for our students (in addition to conventional degree courses) to enhance the skill of students.

Some major initiatives have been taken to make the College Campus eco-friendly (like plantation of trees throughout the year, creating a paperless administrative system & paperless Internal Exam system, installation of rainwater harvesting system, reduction of power consumption, proper waste management, Green Audit etc.). A Nature Club named "Beagle" was formed to enhance awareness and involvement among all the students and staff for a drive towards a more eco-friendly sustainable College Campus along with its surroundings.

After a lockdown of almost two years, B. B. College, like other educational institutions in the state, restarted classes in the usual physical mode in November 2021. The institution, and all its stakeholders, deserve credit for being able to strictly follow all Covid protocols as notified by the government from time to time.

### 2021-2022

To realize a long-standing dream of all stakeholders of our institution, we have initiated plans to build a state-of-the-art building in our college premises, adjacent to the G. T. Road gate. The construction of the auditorium will begin soon.

Keeping in mind the current job scenario as well as recent NAAC directives concerning social inclusiveness, our Entrepreneurship Development Cell (EDC) has taken definite steps. Our institution, with the help of MSME, Govt. of WB, has signed an MoU with The Global Link Initiative (based in the USA) to extend ICT support, technical support, economic viability, etc. to young entrepreneurs. Such initiatives will aid not only our students, but the community at large.

We have substantially increased the area coverage of our CC cameras to further enhance safety and security on our campus.

Keeping in mind the needs of visually-impaired persons on campus, specially-designed boards will be installed at various offices and other prominent locations in our college.

The highlight of the previous academic session was the inauguration of our new Central Library. The two-storey library, housed in the administrative building, welcomes readers of diverse interests. This isn't just a library; it's a vibrant hub of knowledge and creativity, a testament to the college's commitment to intellectual growth. More details may be found in the dedicated report on the Central Library, which appears later in this Prospectus.

## IMPORTANT EVENTS IN THE HISTORY OF B.B. COLLEGE, ASANSOL

### 2023-2024

The highlight of the previous academic session was the inauguration of our new Central Library. The two-storey library, housed in the administrative building, welcomes readers of diverse interests. This isn't just a library; it's a vibrant hub of knowledge and creativity, a testament to the college's commitment to intellectual growth. More details may be found in the dedicated report on the Central Library, which appears later in this Prospectus.

Recently, the college playground has been made more attractive by concrete fencing around this ground and the construction of an entrance.

Heeding to the needs of the society and the environment, the college has installed solar panels and this initiative has reduced the use of conventional energy to a large extent. This step reaffirms our commitment to bringing in a meaningful change in the wake of the threat of global warming and destruction of the environment.

In a bid to cater to the needs of ever-increasing number of students in our Hindi Shift, the college has enhanced the infrastructure by adding 4 large rooms on the second floor of the Hindi Shift building.

### 2024-2025

The last academic session, too was marked by a flurry of upgradation procedures, both in terms of physical infrastructure as well as intellectual infrastructure. The long-cherished dream of a college auditorium is now under active construction and is expected to be completed within the next two to three years, becoming a landmark facility for the institution.

In alignment with the Government of India's educational reforms, the college is set to benefit from the One Nation One Subscription (ONOS) initiative, a Central Sector Scheme under the Ministry of Education (MoE), which has been implemented from January 2025. This initiative grants unified access to over 13,000 journals from 30 reputed publishers, significantly boosting academic and research capabilities across various disciplines.

Recently, an approach road of pavers block has been constructed through the adjacent garden for ease of access to our Hindi Shift building.

A dedicated space for Career Counselling Cell is being established to assist students with career planning and preparation for competitive examinations, with regular campus interviews and industry interaction programs aimed at enhancing employability and offering valuable placement opportunities.

## FROM THE DESK OF PRESIDENT GOVERNING BODY

It gives me immense pleasure to present the *Fifth Online Edition* of the B.B. College Prospectus for the academic session 2025–2026. This digital platform offers a comprehensive overview of our institution and serves as a convenient and accessible resource for students, parents, and stakeholders seeking to understand the ethos, achievements, and offerings of our college.

With a rich legacy spanning over eight decades, B. B.College has consistently contributed to the educational advancement of the region and played a pivotal role in shaping the careers of countless students. Our institution has been an integral force in supporting the socio-economic development of this vibrant industrial belt.

In recent years, the college has significantly expanded its academic and infrastructural capabilities to align with the evolving demands of globalised education. From introducing innovative teaching methodologies to enhancing campus facilities, we remain committed to delivering quality education that meets international standards.

As President of the Governing Body of this esteemed institution, it is my earnest endeavour to ensure that B. B.College continues to make a lasting and positive impact on society. I wholeheartedly seek the active cooperation and enthusiastic participation of students and their families in our shared mission to transform aspirations into achievements.

Should you require any assistance—academic, professional, or personal—I remain available and committed to supporting you. I am confident that the coming academic year will bring joy, growth, and success to every member of the B.B. College family.

**Sri Mooly Ghatak**

Minister-In-Charge, Law and Judiciary  
Labour and ESI,  
Government of West Bengal.  
President G.B.  
Banwarilal Bhalotia College  
Asansol - 713 303

Dated: 23<sup>rd</sup> May, 2025

*Great Vision without Great People is Impossible*

## FROM THE DESK OF PRINCIPAL

***"Excellence is never an accident. It is always the result of high intention, sincere effort, and intelligent execution."***

**— Aristotle**

*I am pleased to introduce the Fifth Online Edition of the B.B. College Prospectus for the academic session 2025-2026. This publication provides a comprehensive snapshot of our institution's vision, programmes, and achievements, offering valuable insight into the academic and co-curricular environment we proudly nurture.*

*B.B. College is a premier multi-shift, single-unit institution offering 27 honours programmes alongside professional undergraduate courses such as BBA and BCA. In recent years, our postgraduate departments in Physics, Zoology, and Hindi have shown remarkable academic performance, a testament to our commitment to academic excellence. Additionally, the college supports distance education through its collaboration with IGNOU, MANUU, and NSOU, serving over 7,500 learners collectively.*

*In our pursuit of holistic development, we regularly organize workshops, webinars, and seminars to foster a culture of academic inquiry and intellectual growth. We have also signed Memorandums of Understanding (MOUs) with reputed institutions to ensure our students stay abreast of emerging scientific and academic trends. Complementing our core degree programmes, we offer a range of certificate courses and internship opportunities designed to enhance employability and develop industry-relevant skills.*

*Cultural enrichment is equally integral to student life at B.B. College. Through vibrant celebrations of festivals and heritage events, we strive to create a balanced environment that supports both academic rigor and emotional well-being.*

***"We won't have a society if we destroy the environment."— Margaret Mead***

*Environmental consciousness is central to our institutional ethos. In line with global sustainability goals, we have installed solar power infrastructure on campus, making us self-sufficient in meeting our energy needs. Initiatives such as observing "No Vehicle Day," organizing street plays, and creating wall graffiti help raise awareness about ecological responsibility. We also commemorate important events like World Environment Day and Van Mahotsav to further instil environmental values among students and staff.*

*Community engagement remains a priority, with our students actively participating in service through the NSS, NCC, and Bharat Scouts & Guides. Our Wi-Fi enabled campus includes a well-organized Administrative Block, an Arts Block, a Science and Commerce Block, Hindi Shift Block with state-of-the-art laboratories, and a central Library featuring a vast collection of academic resources and a spacious reading room.*

*Each year, we extend scholarships and financial aid to deserving students, reinforcing our belief that education should be accessible to all. At B.B. College, our guiding principle is to equip students not only with academic knowledge but also with the human values necessary to face real-world challenges with integrity and resilience.*

*Despite our milestones, we remain committed to continual improvement. We understand that in an era defined by rapid technological and societal change, it is imperative to innovate, evolve, and adapt our educational approach to meet new demands. Our journey is one of relentless pursuit of excellence—always striving to be better than before.*

*Let us continue to learn from the past, live purposefully in the present, and build a future filled with hope and promise.*

**Date : 23<sup>rd</sup> May 2025**

*A Basu*  
**Dr. AMITAVA BASU**  
(Principal, B. B. College)

## GOVERNING BODY / ADMINISTRATION

*The Governing Body is the highest decision-making authority with the Principal as the Secretary. There are several and non-statutory committees to run the administration constituted by the Governing Body. The administration has chosen a decentralized mode for smooth and effective functioning.*

*Under the guidance of our G. B. President, Sri Moloy Ghatak, we are committed to uphold the prestige of our college in all fields, ranging, from administration to academics and even community service. Under the dynamic leadership of Dr. Amitava Basu, Principal, there exists a conducive environment for teaching, learning and research. The college Governing Body is keen to uplift all types of infrastructural facilities like library, laboratory, enhanced use of ICT facilities, etc.*

### LIST OF GOVERNING BODY MEMBERS

Name	Designation
Sri Moloy Ghatak	President, Governing Body B.B.College, Asansol
Dr. Amitava Basu	Ex- Officio Secretary, G.B. & Principal, B.B.College, Asansol
Mr. Nurul Islam	Government Nominee
Dr. Parimal Ghosh	Teaching Representative
Dr. Koushik Mukherjee	Teaching Representative
Dr. Jyotirmoy Ghosh	Teaching Representative
Dr. Arvind Mishra	University Nominee
Dr. Paramita Roychowdhury	University Nominee
Mrs. Jayanti Mallick	University Nominee
Mr. Sudip Chatterjee	NT Representative
Mr. R. N. Bhalotia	Donor Member

## CODE OF CONDUCT FOR STUDENTS:

- ✓ *Students must wear the photo-identity card provided by the college as long as they are in the college premises.*
- ✓ *Loitering in the corridors, near classrooms, examination halls, offices or any other place in the college where such activities might cause disturbance, is strictly prohibited.*
- ✓ *Smoking or consuming any sort of intoxicant inside the college premises is strictly prohibited.*
- ✓ *At least 75% of classes must be attended, failing which a student will not be allowed to write examinations. In case a student does not maintain the said attendance percentage due to medical or any other valid reason, he/she must appeal for exemption in writing, providing adequate evidence.*
- ✓ *Students must pay due respect to their teachers, non-teaching staff, and seniors in college. They are expected to maintain cordial relation among themselves.*
- ✓ *During examinations or class tests, the sanctity of the procedure must be maintained. Any misdemeanour, including cheating, will be considered as serious offence.*
- ✓ *Illegal activities of any kind, in contravention of law, are strictly prohibited.*
- ✓ *The college welcomes people from all religions, castes, creeds or communities. Thus, an atmosphere of harmony must be maintained. Students must inculcate in themselves a nationalistic spirit in the true sense of the term, learning to accept and respect differences among their peers and other stake-holders in college.*

## BASIC FAMILIARITY WITH ICT:

*As we are well aware by now, the outbreak of the Covid-19 pandemic has impacted our traditional pedagogic systems to a great extent. While we preserve our utmost respect for the classical "chalk-and-talk" method, we can no longer afford to be blind to the emergent need for familiarity with basic ICT tools and techniques on the part of our students, so as to ensure smooth continuation of the teaching-learning process in spite of the fact that the Covid-19 pandemic seems to be behind us. The college is committed to conduct various workshops on familiarity with necessary ICT tools and techniques for first year students immediately after admission. Further, our friendly staff members are always eager to help students whenever the need arises.*

*By way of making a start, we have put together here in our Prospectus certain short tutorial videos for our students in connection with the use of ICT for their basic educational needs. Students are encouraged to click on the following links and watch the videos carefully:*

## THE CENTRAL LIBRARY: YOUR GATEWAY TO KNOWLEDGE, GROWTH, AND DISCOVERY

*A college library is more than a place to borrow books—it's the heart of academic life. It's where curiosity meets information, where ideas are sharpened, and where futures begin. For students at Banwarilal Bhalotia College, the Central Library is an essential companion on their educational journey—whether they're preparing for exams, diving into research, or just exploring something new.*

*The Central Library of B.B. College stands as a vibrant, inclusive, and future-ready hub of knowledge. It supports undergraduate and postgraduate students alike, offering not just books but a full ecosystem of academic, creative, and emotional support. In step with the evolving landscape of education, the library combines traditional scholarship with digital access, wellness resources, and hands-on opportunities for exploration and expression.*

### WHAT MAKES OUR LIBRARY SPECIAL

#### 1. Mental Well-being through Bibliotherapy

*Academic life can be demanding, and mental health matters. That's why the library now offers support through bibliotherapy and philosophical texts. Carefully selected books and reflective sessions help students manage stress, build resilience, and deepen self-awareness—promoting both emotional strength and intellectual growth.*

#### 2. BSI Standards Section for Technical and Research Excellence

*To support research in science, engineering, and technology, the library houses an exclusive Bureau of Indian Standards (BSI) collection. This allows students and faculty to consult nationally recognized benchmarks, strengthening the credibility and relevance of academic and industrial projects.*

#### 3. Academic Integrity Backed by Plagiarism Detection

*In partnership with Visva Bharati University's Central Library, the plagiarism-checking service allows students and researchers to ensure the originality of their work. This initiative promotes academic honesty and equips learners with essential citation and referencing skills.*

## WHAT MAKES OUR LIBRARY SPECIAL

### 4. Future-Ready Skills with NEP-Aligned Digital Literacy

*Aligned with NEP 2020, the library's multi disciplinary course on Information and Media Literacy teaches students to evaluate sources, navigate media bias, and practice ethical digital citizenship. It's training for the real world—built into the academic experience.*

### 5. Hands-on Digital Archiving Experience

*The Rarh-Chive, the college's digital archive centre, hosted a six-day practical course on digital preservation, backed by the British Library and INFLIBNET. Participants gained real-world skills in cataloguing, metadata creation, and ethical archiving practices, linking local heritage with global standards.*

### 6. Archive of Local Literary Heritage and Academic Journals

*The library proudly houses an archive of heritage collections of little magazines published from Asansol, preserving the region's literary voice and cultural memory. The library subscribes to a curated set of hard-copy academic journals of various disciplines; these resources deepen research and critical study opportunities for students, faculty, and scholars alike, bridging local insight with academic rigour.*

### 7. A Space for Creativity and Civic Engagement

*More than just a repository of books, the Central Library is evolving into a creative and civic makerspace. It supports the Beagle, Nature Club and Meghe Dhaka Cinema, Cinema Club, offering a dynamic venue for workshops, screenings, and green initiatives. From poster presentations and painting exhibitions to debates, the atre workshops, film review contests, and writing competitions, the library is a thriving platform for student expression. Environmental Day celebrations and citizen science activities further reflect the college's commitment to awareness, engagement, and responsible citizenship.*

## WHAT MAKES OUR LIBRARY SPECIAL

### 8. Smart, Streamlined Access

*The full automation of book lending and return has made the library more efficient and user-friendly. Students can now track resources in real time, access a wider range of materials in one place, and enjoy a seamless experience. Beyond physical books, students will also gain access to premier academic databases such as NLIST (INFLIBNET), NDLI (National Digital Library of India), and ONOS (One Nation One Subscription), enabling deeper, broader, and more specialized research across disciplines. These platforms ensure that every student has the tools to explore and excel in their area of study.*

### Always Within Reach—On Campus and Online

*The library isn't just inside four walls—it is wherever students are. Through the [library portal \(http://bbclib.aadijatechnologies.com/\)](http://bbclib.aadijatechnologies.com/) and its online presence, students can access university syllabi, previous years' question papers, and curated academic content anytime. These platforms are updated regularly, making the library a reliable, go-to academic resource. The Central Library of B.B. College is not just a facility—it's a foundation for growth. It nurtures minds, sparks creativity, encourages civic thought, and equips students with the tools they need to succeed—not only in academics, but in life. For students and parents looking for a well-rounded, supportive learning environment, the Central Library stands as a proud symbol of what B.B. College offers.*

### Our Librarians :

Dr. Abhijit Chakrabarti (Librarian)

Mr. Rajarshi Das (Librarian & Coordinator)

## RECENT ACADEMIC ENDEAVOURS

*In the realm of higher education, the strength of an institution is often measured not merely by its syllabus, but by the intellectual climate. Seminars, workshops, symposia, and webinars act as vital indicators of academic excellence, exposing students and faculty alike to cutting-edge research, emerging ideas, and real-world applications. At Banwarilal Bhalotia College, such events are not occasional embellishments but integral to our academic culture — constantly enriching the classroom experience, sharpening critical inquiry, and fostering a vibrant exchange of interdisciplinary perspectives. Most of these academic endeavours have been highlighted in the respective departmental profiles. Here, we provide readers with snippets of some of these programmes.*

### HIGHLIGHTS OF THE YEAR:

**Into the Wild** – The academic year opened with a Wildlife Photography Exhibition and Seminar titled “A Glimpse into the Wilderness of Paschim Burdwan” on 7th June 2024. Orchestrated by the Beagle Nature Club, Green Muse Philia, and Meraki Art & Photography Club, the event featured renowned wildlife lensman Mr. Saptarshi Mukherjee (Wild Tuskers), drawing attention to the hidden ecological gems of our district.

**Science Meets Wonder** – As part of the prestigious Vikram Sarabhai Lecture Series, Avik Dasgupta, Senior Project Scientist at SGT University, delivered a spellbinding lecture on cosmology in collaboration with the Department of Chemistry (22nd–25th October 2024), unravelling the mysteries of the universe for budding physicists and dreamers alike.

**Stargazers' Delight** – A hands-on Sky Watching Workshop on 9th December 2024, led by Dr. Sushanta Kumar Mondal (SidhoKanho Birsha University), gave students a telescopic view of celestial bodies, turning the night sky into a living laboratory of curiosity.

**Science Sparks Curiosity** – The Inter-school Science Quiz Contest “Jigyasa Science Wiz 2025”, held on 28th February 2025, transformed our campus into a buzzing hive of inquisitive young minds, celebrating National Science Day with knowledge, competition, and camaraderie.

**Mapping Futures** – A Career Counselling Program titled “Charting Your Path: A Future in Geography” was conducted on 3rd April 2025 by the Department of Geography in partnership with scholars from the Central University of Kashmir and Karnataka, guiding students to explore emerging opportunities in geospatial sciences and planning.

**Biology at the Frontier** – The Department of Botany hosted an International Seminar on “Biology at Crossroads: Recent Advancements” on 17th March and 3rd April 2025. With thought leaders from NIH (USA), NIBMG (India), Visva-Bharati, and MMM College, the seminar spotlighted transformative research in genetics, medicine, and microbiology.

**From Data to Discovery** – A Workshop on Scientific Writing, “Perspective of Biological and Environmental Manuscripts”, was led by Dr. Saurav Paul (ECSF) on 2nd April 2025, helping researchers translate complex results into compelling scientific narratives.

**Books & Bridges** – The Central Library, in collaboration with Rarh-chive – The Digital Archive of Rarh Bengal, conducted a unique Workshop on “Transcultural Connections: Bridging Histories through Books and Engineering in Bengal” on 4th February 2025, unearthing the layered legacy of our region's literary and industrial past.

**Empowering Minds** – The Value-Added Course on “Women Empowerment and Human Sustainability” was inaugurated by Dr. Savera Sharma (Bidhan Chandra College) on 10th February 2025, under the aegis of the Political Science Department (Hindi Shift), sparking dialogue on gender, equity, and sustainable futures.

**Guardians of Wetlands** – In association with East Kolkata Wetlands Management Authority (EKWMA), the Department of Zoology conducted a Seminar on “Protecting Wetlands for Our Common Future” on 15th February 2025, emphasizing community stewardship and ecological sensitivity.

**Cyber Awareness for All** – Digital hygiene took center stage during a 1-Day Seminar on Cyber Security, “Empowering You with Cyber Knowledge”, conducted by Parthajit Ghosh Dastidar (USA) on an engaging tech afternoon, under the initiative of the Computer Science Department.

**Post-Independence Reflections** – The Department of Philosophy, with support from ICPR, hosted a Two-Day National Seminar on “Post-Independence Indian Philosophy” on 3rd March 2025, bringing together thinkers like Dr. Kalyan Banerjee and Dr. Tapti Chakraborty to revisit India's philosophical journey after independence.

**Rooted in Nature** – A refreshing Workshop on Natural Farming was organized by the Department of Botany on 4th March 2025, in collaboration with the Art of Living Foundation and experts from Sri Sri Natural Farming, encouraging students to reimagine agriculture through eco-friendly, ancient wisdom

## CENTRAL RESEARCH FACILITY IN SCIENCE

*The College provides state-of-the-art research facility on campus, designated as Central Research Facility. It includes instruments like, autoclave, laminar air-flow, temperature-controlled incubator with shakers, hot-air oven, photo periodic seed germinator, UV-VIS spectrophotometer, PCR machine (thermocycler), Gel electrophoresis apparatus (vertical and slab gel), centrifuge (both high and low speed) etc. Both UG and PG level students undertake their projects in the central research facility under the guidance of learned faculty. The Central facility also undertakes projects from other Colleges and Universities.*

*We are pleased to inform that our college is the \* first in the district\* to have its own IRINIS instance i.e., the Indian Research Information Network System-a service provided by the INFLIBENT centre, Government of India to promote and enhance research collaboration and research excellence following is the link of B.B.College IRINS instance: <https://bbcollege.irins.org/>*

## THE SCOUTS & GUIDE

Scouting, a worldwide movement for harnessing human values without boundaries of religion, language, culture aims to create a "united nation" throughout our planet. Scouting is meant for all human beings without any age barrier, who intends to serve the universe. Students, on joining the scout movement may develop themselves adequately to enjoy the diversity of the great human civilization.

### THE SCOUT MOTTO -

- ✓ *"On my honour I promise that  
I will do my best To do my duty to God  
And my country, To help other people at all times, to obey the Scout Law."*
- ✓ *Scouting develops qualities of learning, leadership, creativity and Self-Confidence, besides providing ample opportunities for adventure and fun.*
- ✓ *The B. B. College Scout Group unit, under the aegis of Bharat Scouts & Guides, West Bengal, provides an ideal opportunity to students to hone their inherent leadership potential.*

## NATIONAL SERVICE SCHEME (NSS)

National Service Scheme, popularly known as NSS, was launched in Mahatma Gandhi's birth-centenary year 1969. NSS is a permanent youth programme under the Ministry of Youth Affairs and Sports, Government of India, and funded by Government of West Bengal and Government of India in the ratio 5:7. The overall objective of National Service Scheme is educational and personality development through community service. The B.B. College NSS unit is very actively involved in the service of the underprivileged sections of society. It aims at inculcating human values, dignity of labour, self-confidence and discipline among the volunteers.

### RECENT ACTIVITIES OF BB COLLEGE NSS UNIT:

1. General orientation of NSS volunteers.
2. Tree plantation within the college campus as well as outside the campus.
3. "Earn and Learn" programme.
4. Organization of various awareness programmes on different social and emerging issues in collaboration with government agencies and NGOs.
5. Organization of blood donation camps.
6. Various programmes organized in collaboration with NGOs to donate articles of need, like books and copies (for school students) and blankets to the downtrodden sections of society. For instance, we collaborated with Srijan Welfare Society, Asansol to donate books and copies to school students in our adopted village in a recent endeavour.
7. Organization of health check-up camps.
8. Facilitation of Theatre workshop conducted by Asansol Charyapada.
9. Tasar silk-worm and cocoon cultivation at adopted village in collaboration with Directorate of Textiles (Sericulture), Burdwan.
10. Special camp programme of seven-days duration.
11. "Swaccha Bharat Abhiyan" in our college campus, and at Asansol District hospital (outside college campus).
12. Awareness campaign in our society about COVID-19 pandemic situation.
13. Celebration of National Yoga Day.

### SOME RECENT ACHIEVEMENTS OF OUR VOLUNTEERS:

- 1) Participated in various National Integration Camps at Bangalore, Jamshedpur, Raja. N. L. Khan Women's College, West Medinipur, Berhampur University Odisha, Baseliious Christian College of Engineering, Kerala, Hyderabad, Raniganj, Bangalore over the past few years.
- 2) Participated in National Youth Festival 2020, 2022, 2023, 2024, 2025.
- 3) Participated in Republic Day Parade in Delhi, 2025.
- 4) State Level Workshop on Yoga at Serampore College, West Bengal.
- 5) Vivek Sanhati Utsav, 2022, Kolkata
- 6) Adventure camp at Manali, Himachal Pradesh.
- 7) Educational tour to Burdwan Science Museum & Bardhaman Zoological Park

8) Participated in Republic Day Parade in Kolkata, 2022.

9) My Bharat Training program 2024

10) TTC With Fevicryl India. Etc

## NATIONAL CADET CORPS (NCC)

*The National Cadet Corps – youth wing of the armed forces – is open to students and grooms them with basic military training in small arms and drill. The vibrant NCC unit of our college welcomes students with open arms. Its current status and some recent achievements of cadets are shown below.*

**Unit:** Coy-1, 10- Bengal BN. NCC, under Burdwan group of W. B. & Sikkim Directorate.

**Battalion:** 10 Bengal Bn. N.C.C. Asansol

**Group:** Burdwan Group

**Directorate:** West Bengal & Sikkim

**Name of ANO:** Cpt. (Dr.) Arun Kumar Pandey

**Name of Part-time Clerk:** Sri Sujoy Kundu

**Enrolment Strength:** Single unit of Army wing of 144 cadets (both Boys & Girls)

i) Ratio: Boys 53% & Girls 47%

ii) Current Enrolment: Boys -77, Girls-67 for session 2024-25

*from all shifts of the college (selection procedure in the presence of army staff from the Battalion office).*

## DEPARTMENT OF BENGALI

**Year of establishment of the department: 1944**

**A brief Introduction of the department:** *The Department of Bengali has been an indispensable part of the legacy of B.B. College having won rich accolades ever since the birth of our college. We have two different shifts, i.e Morning Shift & Day shift. The BENGALI-Morning Shift starts classes very early in the morning (from 7:00 a.m) & then, Day Shift runs upto 5.00 p.m. The maximum number of colourful and energetic students take admission in Bengali department, each and every year. The Department boasts of noble alumni, who are pioneers in different states of our country. The renowned dramatist Sri Ajitesh Bandyopadhyay is an alumnus of this Department. Eminent literary figures Sri Udayan Ghosh, renowned poet Sir Ashim Krishna Dutta & Sir Sudhir Mitra (Bengali & Santali poet) were former professors of this department. Achintya Biswas, a former professor of Jadavpur University and former vice chancellor at the University of Gour Banga is a noteworthy alumnus of this department. At present, some of our faculty members - Dr. Soma Chakraborti, Dr. Ritwik Roy, Dr. Rituparna Dey Tarafder & Dr. Beauty Karmakar - were students of the Department of Bengali. It may also be mentioned that Dr. Mahasweta Chatterjee, Dr. Satyajit Datta, Pappusona Gandhi and Mamoni Mondal are also successfully contributing to societal education and literary knowledge. The Department is actually the rainbow of emotions in the endless sky of spontaneous literature, culture and art. We, the faculty members & our beloved students are a healthy extended family. We are privileged & honoured to be a part of this great Department. Our students are our heartbeats. Their vibrant presence & sensible growth towards society is remarkable. The seminar library of the department has a good collection of text and reference books. The Bengali Department thus has a long- standing prestigious tradition and it has been striving to explore and expand human resources in its diversified potential and manifestation through learning and intellectual activities.*

**One-day Seminar**

*We, the Department of Bengali, Morning Shift, Banwarilal Bhalotia College, Asansol, organized a Seminar (one-day) on 29th of August, 2024, with the help of IQAC, Banwarilal Bhalotia College, Asansol. The seminar was based on Kazi Nazrul Islam. Name of the topic of the seminar was: "Gitikar Najruler Gaan o Swaralipi". Professor (Dr.) Gaurav Chowdhury was the speaker of the seminar.*

## OTHER RELEVANT INFORMATION ABOUT THE DEPARTMENT:

## DEPARTMENT OF BOTANY

**Year of establishment of the department:** 1971

**A brief Introduction of the department:** The department originated with a general degree program, established by distinguished academicians in this district. The honours course commenced in 1984 under the University of Burdwan. In 2016, the Government of West Bengal introduced a parallel medium of instruction, Hindi Shift, to address the educational requirements of Hindi-speaking individuals in the Western part of the district. Over the years, numerous renowned faculty members have joined the department, and currently, seven teachers with diverse expertise engage in both research and social initiatives.

Dr. Sucheta Mandal	Assistant Professor	M.Sc., Ph.D	Microbiology
Dr. Sabina Pradhan	Assistant Professor	M.Sc., Ph.D	Plant Physiology & Biochemistry

## REMARKABLE RECENT ACHIEVEMENTS

### 1. International Seminar:-

The Department of Botany, Banwarilal Bhalotia College, Asansol, organized a prestigious International Seminar titled "Biology at Crossroads: Recent Advancements" on 3rd April 2025, under the aegis of the R&D Cell and IQAC of the institution. The seminar featured lectures from four eminent speakers of national and international repute. Notably, a pre-lecture session was organized on 17th March 2025, delivered online by Dr. Debasish Paul, a research scientist at the National Institutes of Health (NIH), USA. The main event on 3rd April included both offline and online lectures. The speakers were Prof. Srikanta Goswami of NIBMG (National Institute of Biomedical Genomics), Dr. Kirat Kumar Ganguly, Assistant Professor at Michael Madhusudan Memorial College, Durgapur, and Dr. Subhrangshu Mondal, Assistant Professor at Visva-Bharati University.

## 2. Workshop on Natural Farming :

The workshop was held on 4<sup>th</sup> March, 2025. Natural cultivation is a farming method that uses ecological processes to grow crops, trees, and livestock without chemicals. It's also known as "The Fukuoka Method" or "Do-Nothing Farming"

The Union Cabinet chaired by Prime Minister approved the launching of the National Mission on Natural Farming (NMNF) as a standalone Centrally Sponsored Scheme under the Ministry of Agriculture & Farmers' Welfare. The Government of India has launched the National Mission on Natural Farming (NMNF) to promote natural farming in mission mode across the country as a unique Centrally Sponsored Scheme under the Ministry of Agriculture & Farmers' Welfare. NMNF aims at promoting NF

practices for providing safe & nutritious food for all. The Mission is designed to support farmers to reduce input cost of cultivation and dependency to externally purchased inputs.

Keeping mind the above fact we have conducted a workshop on it. The participants are heterogeneous and include students, staff of all category and also some local marginal farmed attached with vegetable grower. All total 41 candidates have participated in this programme (13 framer, 8 teachers, 4 laboratory staff and 16 farmers).

Keeping mind the above fact we have conducted a workshop on it. The participants are heterogeneous and include students, staff of all category and also some local marginal farmed attached with vegetable grower. All total 41 candidates have participated in this programme (13 framer, 8 teachers, 4 laboratory staff and 16 farmers). The resource person of this event was Mr Chanchal Biswas, TTP Teacher, and ASTC/West Bengal.

## DEPARTMENT OF BUSINESS ADMINISTRATION

**Year of establishment of the department:** 2001

**A brief Introduction of the department:** The Department of Business Administration (BBA) emerged in the year 2001. The BBA course will help the students learn various aspects of business administration and management through classroom lectures and practical projects like internships. The course will acquaint the students with various aspects of business administration, market, marketing trends, etc. The 4-year BBA degree programme is divided into eight semesters. It includes core papers, discipline specific electives, generic electives and skill enhancement courses. Discipline specific electives offered from 7th semesters are in the following streams: Finance, Marketing and Human Resource Management. Students are required to undertake a project during the final semester.

For admissions into BBA courses, students need to clear the 10+2 or equivalent examination from any recognized board. It is open to students from all three streams i.e., Science, Arts and Commerce.

### VISION & MISSION

To be an institute of academic excellence with total commitment to quality education in management and related fields, with a holistic concern for better life, environment and society.

- ✓ Endeavour to attract bright and intellectually curious students.
- ✓ Foster excellence by providing the quality education in Business Management.
- ✓ Cultivating the principles of Social Responsibility, Ethics and Spiritual Values among budding managers.
- ✓ Developing capable business and community leaders.
- ✓ To promote self-employment through entrepreneurship.

### FACULTY MEMBERS:

<i>Name of faculty</i>	<i>Designation</i>	<i>Qualification</i>	<i>Specialization</i>
Gunamoy Hazra	SACT-II	M.Com, ICWA Inter	Accounting & Control

Dr. Souvik Dutta	SACT-I	MBA (HR), Ph.D.	Human Resource
Partha Ghosh	SACT-II	MBA, M.Phil.	Marketing

## DEPARTMENT OF CHEMISTRY

**Year of establishment of the department:** 1961-1962

**A brief Introduction of the department:** The Department of Chemistry at Banwarilal Bhalotia College, Asansol runs in two shifts; Day Shift and Morning Shift. Three-year undergraduate B.Sc. Honors Course in Chemistry is taught in the Day Shift while the Morning Shift deals with the three-year undergraduate B.Sc. Programme Course (General). The four-year degree with research in Chemistry in accordance with NEP has also been implemented from 2023. From the onset, the department has continued to attract a large number of students every year.

The department is blessed with highly qualified faculty members with proficiency in academics as well as research. Currently nine faculty members are there. The department has well equipped spacious laboratories, ICT-enabled classrooms and a library with carefully curated books to impart state-of-the-art education to the students. Conferences and symposia are organized from time to time to enable our students to imbibe knowledge from varied topics of science and motivate them to take up higher studies. A good number of students who have graduated from this department are engaged in higher studies or well placed in reputed organizations.

## BACHELOR OF COMPUTER APPLICATIONS (BCA)

**Year of establishment of the department:** 2000

**A brief Introduction of the department:** Established in the year 2000, the Dept of Computer Application, B. B. College (affiliated to KNU) always strives to maintain the glory and dignity of our college. We provide compatible environment to develop and nurture young talents the department aims to produce technically competent and skilled intellectual professionals. Equipped with the latest state-of-art technology, the dept uplifts the thinking and efforts of our students to march ahead towards a better tomorrow.

### VISION

- ✓ The dept's constant endeavor is to always provide better learning environment for the young minds.
- ✓ To encourage entrepreneurial environment and motivate innovative ideas.
- ✓ To handle various social issues by involving students with their technical knowledge.
- ✓ To develop the ability to use knowledge and expertise to meet the growing demand of the society

### MISSION

- ✓ To help students to get themselves placed in renowned IT companies.
- ✓ To garner competency by imparting quality education.
- ✓ Equipping students to attain skills in a practical dynamic environment.
- ✓ To prepare the students to face real world problems and to be a good citizen.

### FACULTY OF THE DEPARTMENT:

<i>Name of faculty</i>	<i>Designation</i>	<i>Qualification</i>	<i>Specialization</i>

## DEPARTMENT OF COMMERCE (EVENING SHIFT)

**Year of establishment of the department:** 1969

**A brief Introduction of the department:** A brief Introduction to the department: The Department of Commerce is one of the pioneering departments of BB College which started its journey in the year 1969. It is the largest department of the college in terms of number of students. Since inception the Department has been providing knowledge and skills in almost all areas of business to equip students to take up different entry level jobs in various commercial undertakings. The Department runs classes from noon to 5PM, and takes pride in its popularity as indicated by the number of students admitted to various courses every year from almost all areas of Paschim Bardhaman district. Apart from academic activities, we encourage students in various on and off campus activities throughout the year. In spite of some limitations, we are confident that we will scale greater heights with our sincerity and diligence in future.

### CURRENT FACULTY MEMBERS

<i>Name of faculty</i>	<i>Designation</i>	<i>Qualification</i>	<i>Specialization</i>
Prof. (Dr) Amitava Basu	Principal	M.Com, Ph.D	Accounting & Control
Dr Bibekananda Sarkar	Associate Professor	M.Sc., Ph.D	Accounting & Finance
Prof. Subrata Mukherjee	Assistant Professor	M.Com (Gold Medalist).	Accounting & Control
Dr Delawar Hussain (HOD)	Assistant Professor	M.Com, Ph.D.	Accounting & Finance
Dr Triptimoy Mondal	Associate Professor	M.Com, Ph.D.	Accounting & Control
Prof. Sanjib Roy	SACT-II	M.Com, CA (Inter) , ICWA (Inter)	Taxation

### OTHER RELEVANT INFORMATION ABOUT THE DEPARTMENT:

The Department of Commerce (Evening Shift) has organized an Entrepreneurship Development Workshop cum Orientation Programme to inspire and empower students with the skills and knowledge required to excel in the world of business.

The Department of Commerce (Evening Shift) organized an industrial visit to Linkers India Pvt. Ltd. for its students, offering them valuable exposure to real-world business operations. The visit aimed to bridge the gap between academic learning and industrial practices, enhancing students' practical understanding of corporate functioning.

The Department of Commerce (Evening Shift) visited the **TradeXpo** at Asansol Club along with students, as part of the All India Traders (West Bengal Chapter) celebration. The visit offered students valuable exposure to current trade practices, business innovations, and networking with industry experts.

## DEPARTMENT OF COMMERCE (HINDI SHIFT)

**Year of establishment of the department:** 2015

**A brief Introduction of the department:** The Department of Commerce (Hindi shift) started its journey in 2015 with the objective to cater to the needs of Hindi background students. Lectures are delivered in both Hindi as well as English. The faculty members are experienced in their own field of specializations and provide leadership in commerce & management education by imparting quality and industry-relevant knowledge through research workshops and other related activities. Presently, the department offers B. Com honours and programme courses. Total approved intakes of the B. Com honours and programme courses are 125 and 75 respectively. Over the years, the students' enrolment ratio is showing an increasing trend in the department. The pass-out ratio of the students is also quite impressive in the department. The Entrepreneurship Development Cell Swabalamban of the college is run by the Department of Commerce (Hindi shift) to promote entrepreneurial activities by organizing different training sessions, awareness camps etc. Many of our students are now pursuing M. Com from Kazi Nazrul University, Asansol, University of Burdwan, etc. The inclination towards higher studies among our department's students has been gradually increasing.

In **SANGHATI-2025**, the prestigious stall exhibition competition held at BanwarilalBhalotia College, Asansol, concluded with great success! Among the myriad impressive displays, the Department of Computer Science emerged as the shining stars, clinching the **3<sup>rd</sup>** prize for their exceptional model presentations.

## DEPARTMENT OF ECONOMICS

**Year of establishment of the department:** 1961-62

**A brief Introduction of the department:** The Department of Economics at B. B. College, Asansol, was established in 1961-62 and is proud to be the first in the region to offer Economics as an honours course. For over sixty years, the department has maintained a strong reputation for academic excellence and commitment to student success. Our aim is to help students understand the complex world of economics through a mix of theory and real-world applications. We encourage critical thinking, practical problem-solving, and a deeper understanding of how economies work—locally, nationally, and globally.

Economics is more than just a subject—it helps us understand the world around us. At B. B. College, students learn important ideas like scarcity, opportunity cost, demand and supply, production, market structures, national income, inflation, unemployment, government policies, international trade, environment issues and sustainable development. These concepts explain how individuals, firms, and governments make choices when resources are limited. Our course also covers key tools such as cost-benefit analysis, marginal thinking, and the role of incentives in decision-making. Through a mix of classroom teaching and practical exercises, students learn to build economic models, analyze data using statistical and econometric methods, and understand the impact of economic policies on society. This strong foundation helps students solve real-life problems and prepares them for careers in banking, policy-making, research, business, and higher studies like MSc/MA in Economics or an MBA.

Led by Mr. Shashi Kr Shaw, the department has a team of dedicated faculty members including Ms. Amrita Pal, Dr. Mousumi Bakshi, Dr. Parnsudha Karmodak, and Ms. Debleena Banerjee. Together, they create a supportive environment for learning and growth. With well-stocked libraries and a focus on both academic and career development, the department continues to guide students towards bright futures. Join us to be part of a rich legacy and an exciting journey in Economics.

## RECENT DEPARTMENTAL ACTIVITIES/ACHIEVEMENTS:

Department of Economics organised a Students' Recreational Trip to Eco Park, Kolkata on 20th December, 2024.

## DEPARTMENT OF EDUCATION

**Year of establishment of the department:** 2008

**A brief Introduction of the department:** The Department of Education at Banwarilal Bhalotia College was established in 2008 with the vision of nurturing competent and compassionate educators and fostering a deeper understanding of the principles and practices of education. Over the years, the department has grown into a vibrant center for academic inquiry, pedagogical innovation, and community engagement. Our faculty comprises experienced and dedicated educators who are committed to providing quality instruction and mentorship to our students.

It is the first department in education as a subject which started to provide 3 year's degree Hon's in education in this industrial and coal belt of Asansol and Durgapur. Since its initiation in Banwarilal Bhalotia College it has been successfully fulfilling the soaring needs of the local student's who were having education as a school subject in the higher secondary level. The department has successfully produced many outstanding scholars who are now engaged them as teacher's, professors and also continuing their higher studies in various universities as students and research scholars. Education as a subject has its immense importance in every national and regional competitive examination like NET, CTET, SET and TET. The subject having varied opportunities in manifold makes itself worthy enough for the students to choose it as their honour's. The department upholds a tremendous successful passing rate and its conversion to higher studies almost hundred percent. The intake capacity of the department has been increased to 50. The department will continue to impart quality teaching, new learning experiences, skills, values to its student's and this way it will definitely fulfill the human resources the society needs and the nation wish.

### Our Objectives:

To provide a comprehensive understanding of the philosophical, sociological, psychological, and historical foundations of education.

To equip students with the theoretical knowledge and practical skills necessary for effective teaching and learning.

To foster critical thinking, problem-solving abilities, and a spirit of inquiry among students.

To develop an understanding of diverse learners and inclusive educational practices.

To promote ethical values, professional responsibility, and a commitment to lifelong learning.

To prepare students for various career opportunities in the field of education and related sectors.

### Academic Programme Offered:

Bachelor of Arts (Honours) in Education.

## DEPARTMENT OF ENGLISH

**Year of establishment of the department:** 1947 - 48

**A brief Introduction of the department:** The Department of English was one of the earliest departments set up in our college, and it has continued to serve the academic community ever since. The department has a rich heritage of excellence, whereby it has nurtured numerous luminaries who have gone on to make the department proud by contributing significantly towards the advancement of society. We aim to provide a comprehensive introduction to the study of literatures in English to our students. We encourage refreshing perspectives on texts in addition to conventional readings of canonical literature. Our illustrious alumni include Dr R. R. Datta, (retired Associate Professor, Dept of English, B. B. College, Asansol), Dr Arunabha Dasgupta (retired Teacher-in-charge, Deshabandhu College, Chittaranjan), Dr Ajoy Sengupta (Associate Professor, Dept of English, Asansol Girls' College), Dr Santanu Banerjee (Associate Professor, Dept of English, Kazi Nazrul University), among many others. The current staff members are introduced below.

### REMARKABLE RECENT ACHIEVEMENTS OF THE STUDENTS OF YOUR DEPARTMENT

Recently, our student Quazi Niamatul Ain cleared the National Eligibility Test (NET).

## EVENTS HOSTED BY THE DEPARTMENT:

The Department of English, Banwarilal Bhalotia College, Asansol (under the aegis of the Internal Quality Assurance Cell of the college), organised the Intercollege Debate Competition on 19th September 2024. This intellectually stimulating event aimed to provide a platform for undergraduate students to engage in critical discourse while honing their argumentative and rhetorical skills. The competition, which was open exclusively to English undergraduate students, revolved around the thought-provoking topic: *"Violence against women is more effectively addressed through legal reforms than through societal change."*

The event witnessed enthusiastic participation from 32 students, representing various colleges. Each team consisted of two members—one speaking in favour of the motion and the other against it. The competition was judged by two eminent professors: Dr Arundhati Chatterjee (Former Associate Professor, Dept of English, Banwarilal Bhalotia College, Asansol) and Prof Madhurima Mullick (Assistant Professor, Dept of English, Panchakot Mahavidyalaya, Purulia, West Bengal).

### FACULTY MEMBERS:

<i>Name of faculty</i>	<i>Designation</i>	<i>Qualification</i>	<i>Specialization</i>
Dr. Subrata Kr. Mandal	Associate Professor	Ph. D.	English Language Teaching
Ms. Shubhra Singh Sardar	Assistant Professor	M.A.	Literary Theory and post-1950s British Literature
Ms. Amrita Mitra	Assistant Professor (Current H.O.D)	M. Phil.	Gender studies, Popular Culture.
Dr. Uddalak Dutta	Assistant Professor	Ph. D.	Theatre studies, Modern Indian Theatre.
Ms. Saswati Nayak	SACT-II	M. A.	Ancient European Classics

## DEPARTMENT OF ENVIRONMENTAL SCIENCE

**Year of establishment of the department:** 1999

**A brief Introduction of the department:** The department began its journey in the year 1999 under the name **"Dept. of Environment and Water Management"** with a 3-year vocational course affiliated to the University of Burdwan. Subsequently the affiliation was extended to a honours course in the year 2010. The Department of Environmental Science at B. B. College, Asansol, offers a dynamic and interdisciplinary approach to studying the environment and its complex interactions with human society. Established with the vision of promoting environmental awareness and sustainability, the department focuses on both theoretical and practical aspects of environmental science. Through a well-structured curriculum, hands-on fieldwork, laboratory training, certificate courses and skill development programs, students are equipped to understand and tackle pressing environmental issues such as pollution, climate change, biodiversity loss, and resource management. The department also encourages community engagement and eco-conscious initiatives, nurturing responsible citizens committed to environmental stewardship. The Department has also resumed its honours course under the name **Environmental Science (Hons)** from 2023 with a student intake of 15 students. Presently the Department offers minor papers as well as a VAC paper (Value Added Course) on Environmental Studies for all UG students irrespective of their academic streams.

### FACULTY MEMBERS:

## DEPARTMENT OF GEOGRAPHY (DAY SHIFT)

**Year of establishment of the department:** 2008

**A brief Introduction of the department:** The Department of Geography, Banwarilal Bhalotia College, established in the year 2008, offers undergraduate courses leading to the Degrees of Bachelor of Arts (B.A.) and Bachelor of Science (B.Sc.) awarded by the Kazi Nazrul University. This course introduces students with the dynamic processes including fundamental and modern techniques, contemporary paradigms such as global initiatives like Sustainable Development Goals (SDGs), Disaster Risk Reduction (DRR) and national initiatives like smart cities, Securities of food, water, energy, human health and livelihood, biodiversity, and disaster management. In compliance with directives on the Curriculum & Credit Framework from the University Grants Commission, the undergraduate syllabus for Geography is reframed under the National Education Policy of 2020. In a major deviation from its previous versions, the current syllabus uniquely caters to the students' requirement of education levels that would help them to balance between their professional and educational aspirations. The present curriculum of Geography is designed to give the students a holistic understanding of the subject at every year of exit from the second year onwards, putting equal weightage to the core content and techniques used in Geography. Geography is designed to give the students a holistic understanding of the subject at every year of exit from the second year onwards, putting equal weightage to the core content and techniques used in Geography. Departmental laboratory is well equipped to carry out various practical works. The Department has a computer laboratory with 100 PCs. The Department has developed a physical laboratory for analysis of soil samples. The Geography Alumni Association - GAA was formed in the year 2020 on 23<sup>rd</sup> February. The objective of this association was to offer a collective platform for the current students, alumni, industry and academia. The group has been immensely active in circulation of geographical information, mobilize resources for the current students, circulation of information regarding employment opportunities and discussion regarding updating syllabus in accordance with the professional skills needed.

### OTHER RELEVANT INFORMATION ABOUT THE DEPARTMENT

The Department of Geography has started to celebrate World Environment Day on 5<sup>th</sup> June since 2020. Every year we observed this day through tree planting, poster competition and one special lecture session by resource person. In 2024 in the month of January we have planted 1000 mangrove trees at Sundarban to protect world's largest deltaic mangroves and to maintain ecological balance. During 2024-2025 sessions we have organized two field surveys for preparation of project report. One field survey was organized to Harishpur for preparing project report on Household survey and subsidence. Another one has organized to Algarah, Lava in Kalimpong on Disaster Management Project. From this year we have started to observe the EARTH DAY and has inaugurated our departmental annual wall magazine named "LA TERRE". We have organized one webinar for Career Counselling Programme on "Charting your path: A Future in Geography" to provide students with a clear understanding of the diverse career opportunities in the field of geography.

### Field Surveys During 2024-2025

## DEPARTMENT OF GEOGRAPHY (HINDI SHIFT)

**Year of establishment of the department:** 2015

**A brief Introduction of the department:** Established in 2015, the Department of Geography (Hindi Shift) offers undergraduate course in Geography through Hindi medium under CCFUP-NEP. With an intake capacity of sixty students, the department is supported by four dedicated faculty members and one laboratory attendant. It is committed to building a fully equipped Cartography Laboratory and a Computer Laboratory to strengthen its academic infrastructure. The department emphasizes holistic student development, encouraging both academic excellence and practical learning. Faculty members actively contribute to enhancing the department's academic profile through quality teaching, community engagement, arranging field trips, conducting seminars, and continuous mentoring. The department envisions creating a dynamic learning environment that nurtures critical thinking, geographical skills, and social responsibility.

Mr. Saurav Vishwakarma	SACT - I	M.A.	Tropical Climatology

### OTHER RELEVANT INFORMATION ABOUT THE DEPARTMENT

Aniket Kumar Singh, a 6th Semester student, achieved remarkable success by winning the Gold Medal in the 21+ age category at the 8th All India Funakoshi Shotokan Karate Championship. He was also honoured with the Best Award at the Karate Championship held in Chhattisgarh, where he represented Kazi Nazrul University, Asansol. In addition, he has won multiple medals in state-level karate competitions. Saba Parween, a 4th Semester student, secured the second prize in a drawing competition organized by the Department of Commerce (Hindi Shift). In the same event, Sunidhi Prasad and Ritika Raj, both 2nd Semester students, won the first and third prizes, respectively. Ritika further showcased her talent by securing the first position in the recitation competition during the Hindi Diwas Samaroh held at the college. Another 2nd Semester student, Raj Singh, secured third position in the 800m race at the Annual Athletic Meet 2024 organized by the college.

## DEPARTMENT OF HISTORY (DAY SHIFT)

**Year of establishment of the department:** 1962

**A brief Introduction of the department:** The Department of History is one of the important departments of B.B College, affiliated to Kazi Nazrul University. Diverse historical knowledge and ideas are taught in regular departmental classes following the KNU syllabus. Students can borrow different kinds of relevant history books from the departmental seminar library other than the college central library.

### REMARKABLE RECENT ACHIEVEMENTS OF THE STUDENTS OF YOUR DEPARTMENT:

## DEPARTMENT OF HINDI (POST GRADUATE )

**Year of establishment of the department:** 1960

**A brief Introduction of the department:** Hindi is spoken and understood by most Indians. It is also helpful in marketing, public relations and other jobs at the national level. BB College, Asansol is one of the most reputed centers for learning of Hindi in both undergraduate and postgraduate level. The student and teacher ratio is quite good (10:1). National level seminars are organised in regular interval. Department has its own departmental library. In this department faculty student interaction is very good. It is one of the oldest departments of the college. It was founded in 1960. It has more than 250 students today. And it has been successful in setting a record of good results every year.

## CURRENT FACULTY MEMBERS:

<i>Name of faculty</i>	<i>Designation</i>	<i>Qualification</i>	<i>Specialization</i>
Dr. Bijay Kumar Prasad (HOD)	Assistant Professor	M.A., M.Phil. PhD	Dalit Sahitya & Premchand

## OTHER RELEVANT INFORMATION ABOUT THE DEPARTMENT

Hindi Department secured Consolation prize in the Hindi Gyan competition in the 'Hindi Diwas Celebration - 2024' organized by Paschim Bang Hindi Academy.

## DEPARTMENT OF MATHEMATICS

**Year of establishment of the department:** 1960

**A brief Introduction of the department:** Department of Mathematics is one of the eminent departments in the college established in 1960. Many of our alumni are well known academicians, researchers and professionals in their domain of expertise. Our alumni have also taken up jobs in the administrative services and provided exemplary service to the nation. Each year students bring laurels for the college through their excellent performance in University Examinations and their achievements in all India based competitive examinations. Many students are pursuing higher education in prestigious institutes like IITs, NITs, IIST and other reputed universities. The department has well maintained Seminar Library for students' support. The thrust areas of research are: quantum plasma, general relativity and cosmology, algebra, Number Theory and Topology, solid mechanics and wave propagation, Operations Research, magnetohydrodynamics, computational fluid dynamics, heat and mass transfer, nanofluid flows, viscous flows in rotating media, etc.

## DEPARTMENT OF MICROBIOLOGY

**Year of establishment of the department:** 2005

**A brief Introduction of the department:** The department of Microbiology, B. B College, Asansol is one of the best departments to study Microbiology. It was established in 2005 and it caters to a wide array of learning areas related to microorganisms & microbial activities in different fields including medical research, human health, food-industries, environmental studies etc. The departmental laboratory is well equipped with all necessary instruments and facilities needed to provide quality teaching and learning opportunities for the students. The departmental students are well mentored by adequate and well experienced bunch of faculties. The classrooms are kept spacious to accommodate all students and to allow proper interaction of students with faculty. Most of our departmental alumni have acquired good positions in many institutes.

## DEPARTMENT OF PHILOSOPHY

**Year of establishment of the department:** Department of Philosophy, B.B. College started its journey in the year 1944 with two faculty member and only pass course in the subject. It was upgraded to an honours department in 1996.

**A brief Introduction of the department:** At present Philosophy is a full-fledged department with more than 450 students. In the recent years, students seeking admission in Philosophy Honours-course is increasing, though percentage of meritorious students is still very low. A random survey shows that students are coming from all sections of society. Enthusiasm of the students of the department in extra-curricular activities is praise worthy. They take part and secure position in every cultural function and departmental get-togethers. We also guide students through philosophical counseling. At present, a good number of students are studying Philosophy Honors& Program with great interest.

## DEPARTMENT OF PHYSICS (POST GRADUATE)

**Year of establishment of the department:** 1960

**A brief Introduction of the department:** The Department of Physics at B. B. College began its journey in 1960 with undergraduate programs. Since its inception, the department has been committed to delivering quality education in physics at the undergraduate level. It has produced a strong network of outstanding alumni and has been home to numerous eminent faculty members throughout the years, all of whom have contributed significantly to the department's growth and reputation. The department takes pride in its academic excellence, with numerous students securing first-class results and university ranks. Many of our graduates have gone on to pursue higher studies and research at prestigious institutions such as IITs, IISc, IISERs, TIFR, BARC, and NIIT, establishing successful careers in academia, research, and industry. In 2002, the department launched postgraduate studies in an effort to broaden its scholarly scope and satisfy the rising demand for higher education. The PG program is designed to offer a broad and in-depth understanding of physics, nurturing future leaders, innovators, and problem-solvers, particularly from the Asansol-Durgapur industrial region. The department is equipped with spacious classrooms, state-of-the-art laboratories, ICT-enabled classrooms with internet access, and dedicated seminar libraries for both UG and PG students with a rich collection of books and resources. Our committed and dynamic faculty members are engaged in both teaching and active research. The department's thrust research areas include Nanomaterials, Nonlinear Optics, Optoelectronics, and Bose-Einstein Condensates. In recent years, faculty members have contributed significantly to these fields through research publications and ongoing projects. In order to prepare students for success in the rapidly changing fields of science and technology, the Department of Physics is committed to empowering students through the creation, acquisition, and dissemination of knowledge.

## DEPARTMENT OF POLITICAL SCIENCE (DAY SHIFT)

**Year of establishment of the department:** 1947-1948

**A brief Introduction of the department:** Department of Political Science was established in 1947-1948 with the offer of B.A. (Pass) in Political Science affiliated to Burdwan University; subsequently Honours course for Political Science was successfully started from 1961-1962 affiliated to Burdwan University. The Political Science Department is dedicated to studying political systems, theories, and behaviours that shape our world. Focusing on domestic and international landscapes, this department provides students with a comprehensive understanding of government structures, political processes, and the complexities of power dynamics. Our curriculum encompasses a range of subjects, including comparative politics, international relations, public policy, and political theory, encouraging critical thinking and analytical skills. Through various resources, including engaging coursework, research opportunities, and discussions with experienced faculty, the department aims to prepare students for diverse careers in public service, law, academia, and beyond, while fostering informed and active citizenship. The dedication, love, sincerity of the Professors of this department and rich culture of the College will help and motivate the students for better life.

## DEPARTMENT OF SANSKRIT

**Year of establishment of the department:** 1962

**A brief Introduction of the department:** The department of Sanskrit B B College, Asansol is renowned one. Initially only BA general course was taught here. Later, to meet up the demand of the students, Honours course was opened in the year 2007. At present average enrollment is more than 50 students per year. There are four teachers. Among the distinguished alumni we may name Sri Sourav Chakraborty, Teacher(SACT) of Raniganj T.D.B. College, Smt. Sumitra Karmakar, Teacher(SACT) of Rashbehari Ghosh Mahavidyalaya (Khandaghosh, PurbaBardhaman), Smt. Suchibrata Bishnu, Teacher (Guest) of B B College. Some of them are undergoing research and some obtained jobs in other concerns also. Day by day the demand for studying the subject is growing and we hope in near future our enrollment will increase and we shall start new courses also in the Department.

### REMARKABLE RECENT ACHIEVEMENTS OF THE STUDENTS

### REUNION OF THE DEPARTMENT OF SANSKRIT:

The Department of Sanskrit, B.B. College decided to initiate reunion program from the year 2022 and accordingly, the first reunion was held on 3rd December, 2022. Our honourable Principal Dr. Amitava Basu inaugurated the program by lighting the candle. The toppers of the department of every year were given an award named 'Sanskrit Bhusanam', a medal and a memento in recognition of their remarkable academic achievements. Besides, each of the alumni since 2010 was given a memento. There was a huge enthusiasm among the students and we, therefore, resolve to continue this event every year.

The Department of Sanskrit arranged a reunion in the last year on 7th December 2024. In it students of all the batches from 2010 to 2024 pass out were asked to attend the program and as many as 90 students were present. They exchanged words and opinions amongst themselves and some of them have become established in various fields. In this way we would like to establish a good bonding among past and present students. This year 'Sanskrit Bhusanam', award was offered to Sudeshna Maji for obtaining the highest marks in the University examination from among the students of our department.

## DEPARTMENT OF STATISTICS

**Year of establishment of the department:** 2001

**A brief Introduction of the department:** Department of statistics of Banwarilal Bhalotia College offers the Minor and Major courses of statistics. Theory and practical classes are taken by the teachers regularly. Our teachers try to provide class notes on each and every topic. We take care of our students.

## CURRENT FACULTY MEMBERS

<i>Name of faculty</i>	<i>Designation</i>	<i>Qualification</i>	<i>Specialization</i>
Dr. Kuntal Bakuli	Assistant Professor and HOD	Ph.D	Industrial Statistics
Mr Joy Sinha	SACT II	Inference	Inference

## DEPARTMENT OF URDU

**Year of establishment of the department:** 2008

**A brief Introduction of the department:** Urdu is one of the Indian Languages it belongs to the Hindustani group of the Indo-Iranian branch of the Indo-European family. Approximately two hundred million people around the world speak Urdu as a first or second language. The Department of Urdu, B. B. College has launched Certificate Course in Urdu Language through Hindi and English Medium to popularize Urdu Language and its script across the country. This Department on the basis of its potentials in terms of its excellence in teaching and determination to move forward on defined lines in a challenging academic atmosphere of our times. Recently, we have organized a 02 times national seminar on "Fort William College", "Wahshat Kalkatvi: Hayat -o-Fun and going to be organised in the month of August on "Hussainul Haque : Hayat-o-Khidmat" which is unprecedented on the basis of the quality of papers presented on various aspects of the legendry poet and also the stature of the scholars who came from different parts of the country to participate in this historic event.

## DEPARTMENT OF ZOOLOGY (POST GRADUATE)

**Year of establishment of the department:** 1962

**A brief Introduction of the department:** Established in 1962, the Post Graduate Department of Zoology at BanwarilalBhalotia College, Asansol, is one of the most prestigious and academically vibrant centers for Zoological studies in West Bengal. Over the decades, the department has evolved into a hub of excellence in biological sciences, combining tradition with innovation. The department has achieved several academic milestones, most notably the introduction of the B.Sc. Honours programme in 1975 and the M.Sc. programme in Zoology in 2012. Since 2016, it has been affiliated with Kazi Nazrul University, offering a spectrum of academic programmes including M.Sc., B.Sc. Honours, Programme Courses, and Generic Electives.

The curriculum is further enriched by certificate and value-added courses in frontier areas such as Fish Nutrition, Cell Culture Techniques, and Environmental Science. A hallmark of the department is its commitment to experiential and interdisciplinary learning. Students are rigorously trained in vocationally relevant disciplines such as Aquaculture and Fisheries, Entomology, Vermicomposting, and Research Methodology, thereby enhancing their practical competencies and employability. The mentorship model, where students are guided in small groups, provides academic and career-oriented support throughout their tenure. The department houses well-equipped, state-of-the-art laboratories that support both academic instruction and independent research. Teaching practices are aligned with contemporary pedagogical standards, integrating ICT-enabled classrooms (featuring smart boards, projectors, and internet-enabled devices), field-based learning, and excursion-led pedagogy—the latter being a mandatory component of the curriculum. Traditional teaching methodologies, including the chalk-and-talk approach, are also effectively employed to ensure conceptual clarity. In its unwavering pursuit of academic distinction and skill-based education, the Department of Zoology continues to inspire students to explore the biological sciences, contribute to scientific research, and excel in diverse professional fields.

### CERTIFICATE COURSE/VALUE-ADDED COURSE OF THE DEPARTMENT:

## OTHER RELEVANT INFORMATION ABOUT THE DEPARTMENT

The Department of Zoology is deeply committed to fostering academic excellence, scientific inquiry, and social responsibility. A wide array of dynamic programs and activities are regularly organized to enhance scholarly engagement, promote environmental awareness, and serve the community. These initiatives aim to broaden the intellectual horizons of students while also contributing meaningfully to society.

### 1. National and International Seminars

The international conference titled "Zooverse" was organized on 22<sup>nd</sup> November 2024, with the central theme "Defining and Redefining Diseases and Its Impact on Society." The keynote address was delivered by Prof. Gautam Chandra, Hon'ble Vice-Chancellor of The University of Burdwan, who highlighted the importance of interdisciplinary research in understanding disease dynamics in a rapidly changing world. The seminar featured eminent speakers including Dr. Ranjit Kumar Ghosh, Dr. Sourav Banerjee, Dr. Satarupa Ganguly, Dr. Suprabhat Mukherjee, Dr. Debolina Sinha Banerjee, and Dr. Shreyasi Gupta, who addressed a range of topics spanning zoonotic diseases, public health, molecular pathology, and the socio-environmental impacts of disease emergence.

Furthering its academic outreach, the department also organized a national seminar on the theme "Protecting Wetlands for Our Common Future", on 15<sup>th</sup> February 2025, sponsored by the **East Kolkata Wetland Management Authority (EKWMA)**. The event featured two eminent speakers: **Dr. Koutilya Bhattacharjee**, Assistant Professor, UG & PG Department of Zoology, Ramakrishna Mission Vivekananda Centenary College, Rahara, and **Dr. Arnab Ganguli**, Assistant Professor, PG Department of Zoology, Banwarilal Bhalotia College, Asansol both of whom presented insightful discussions on the ecological significance of wetlands, threats to wetland biodiversity, and community-based conservation strategies.

### 2. Awareness Programs

The **Postgraduate Department of Zoology** organized a **Dengue Awareness Program** on 21<sup>st</sup> August 2024 to educate students and the local community about the prevention and control of dengue fever. The program included informative presentations and interactive sessions highlighting the life cycle of *Aedes* mosquitoes, symptoms of dengue, and effective measures for mosquito control.

### 3. Workshops

A one-day state-level workshop on “*Scientific Writing and Perspectives of Biological and Environmental Manuscripts*” was held on 2<sup>nd</sup> April 2025, aimed at enhancing academic writing skills and research communication among students and faculty members. The workshop featured **Dr. Sourav Paul**, Co-founder and Director of the *Estuarine and Coastal Studies Foundation (ECSF)*, Howrah, West Bengal, as the resource person. Dr. Paul shared valuable insights into the structure, style, and ethics of scientific writing, with a focus on publishing in biological and environmental sciences. The interactive sessions provided practical guidance on manuscript preparation, journal selection, and responding to peer reviews. The workshop contributed significantly to building research capacity and fostering a culture of quality scientific publication in line with NAAC's emphasis on research and academic excellence.

### 4. Community Outreach Initiatives

The community outreach program was organized on 26<sup>th</sup> May, 2023 at KB High School, Ukhra, Paschim Bardhaman, centered on blood donation and awareness. The program highlighted the importance of voluntary blood donation, dispelled common myths, and encouraged youth participation in regular donation drives.

## NON-TEACHING & SUPPORT STAFF

### Non-Teaching Staff (Permanent)

1. Mr. Avijeet Rajak, Lower Division Clerk, Morning Section
2. Mr. Sudip Chatterjee, Lower Division Clerk, Hindi Shift
3. Mr. Mantu Kundu, Lab. Attd. Physics, Day Section
4. Mr. Raju Balmiki, Sweeper
5. Mr. Rajesh Balmiki, Sweeper

11. Ms. Rituparna Rajak, Lab. Attd., Botany, Day Section

### Casual Non-Teaching Staff (Temporary & Ad-hoc Basis):

#### OFFICE STAFF

1. Sri Julfikkar Ali, Accountant, Day Section
2. Sri Sohel Ahmed, Asst. Accountant, Day Section
3. Sri Anup Yadav, Computer-cum-Office Asst.
4. Sri Sujoy Kundu, Clerk, Day Section
5. Sri Avijit Bhattacharya, Computer Operator of Account Sec. & Clerk of BBA & BCA
6. Smt. Indrani Bandyopadhyay, Computer-cum-Office Asst., Evening Section
7. Sri Durbadal Chattopadhyay, Computer-cum-Office Asst., Day Section
8. Sri Kartik Das Modak, Computer-cum-Office Asst., Day Section
9. Sri Satyabrata Chatterjee, Computer-cum-Office Asst.
10. Sri Susanta Singha Deb, Office Peon
11. Sri Samar Karmakar, Office-cum-Lab. Attd., BBA & BCA
12. Sri Pashupati Roy, Office Attd., BBA & BCA, Generator Operator
13. Sri Nitai Das, Office Peon, Hindi Shift
14. Sri Sajal Karmakar, Clerk-cum-Computer Operator, Hindi Shift
15. Sri Biswajit Badyakar, Bearer Peon, Morning Section
16. Sri Rajib Prasad Gupta, Cash Assistant and Internet & Lan maintenance
17. Sri Souma Chatterjee, CCTV & Computer maintenance and Principal Chamber

#### LIBRARY STAFF

1. Sri Shovan Lal Chattopadhyay, Library Attd., Day Section
2. Sri Sajoy Bhui, Library Attd., Morning Section
3. Smt. Archana Prasad, Asst. Librarian, Hindi Shift
4. Sri Sudipta Ghosh, Library-cum-Office Asst., BBA & BCA
5. Smt. Nitu Kurmi, Library Attd.

#### LABORATORY STAFF

1. Sri Saibal Chakraborty, Lab. Attd.
2. Sri Arup Chatterjee, Lab. Attd. Chemistry
3. Smt. Mousumi Paramanick (Adhikari), Lab. Attd., Zoology
4. Sri Swarup Sutradhar, Lab. Attd., Geography
5. Sri Uttam Kundu, Lab. Attd., P.G., Physics
6. Sri Animesh Modak, Lab. Attd., Microbiology
7. Sri Arghya De Sarkar, Lab. Instructor, BCA
8. Sri Tunir Roy, Lab. Asst., BCA
9. Sri Arup Kumar Mondal, Lab. Attd. Chemistry

## NON-TEACHING & SUPPORT STAFF

### HOSTEL STAFF

1. Smt. Indrani Bose, Girls' Hostel Warden
2. Sri Prasenjit Singha Deb, Boys' Hostel Staff
3. Sumana Roy Das, Girls' Hostel, Night Guard

### GUARDS

1. Sri Santosh Bhagat, Night Guard, BBA & BCA
2. Sri Kanai Ruidas, Care-taker, Cycle Stand
3. Sri Shrikanta Layek, Security Guard, Morning Section, New Building
4. Sri Goutam Raha, Security Guard, Women's Hostel

### HOUSE-KEEPING STAFF

1. Md. Moinuddin Sekh, Boys' Hostel
2. Sri Bablu Dom, BBA & BCA
3. Smt. Durga Hari, Arts Building

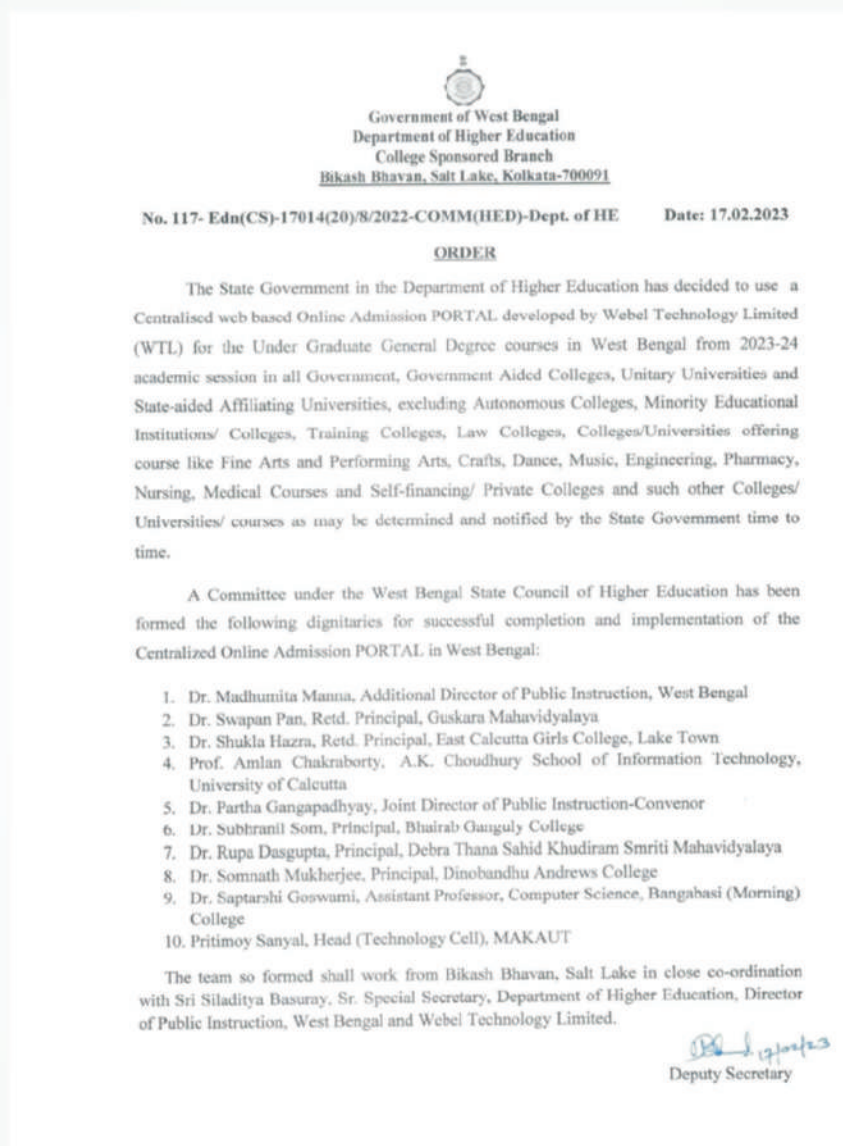

### ELECTRICIAN

1. Sri Tribeni Ruidas

## ADMISSION GUIDELINES 2025

As most stake holders of higher education in West Bengal already know, the state government has decided to implement a centralised online web-based admission portal for admission to higher educational institutions in the state. The relevant notification issued by the the government has been attached below for reference of students and guardians, Banwarilal Bhalotia College and guidelines issued by the government on the said portal, and apply to the relevant programmes of study accordingly. The college will also update relevant information regarding admission on our website, students must follow the Government portal and the college website diligently to ensure a hassle-free admission process.

## INFRASTRUCTURE:

Spread across a sprawling 7.80088 acres, our college features a thoughtfully designed and student-centric environment, consisting of four main academic buildings and two dedicated administrative centres. The institution is equipped with 62 fully functional classrooms, including 15 ICT-enabled smart classrooms that enhance the teaching-learning experience. A well-stocked Central Library caters to the intellectual and academic needs of students and faculty, supporting research and scholastic growth. The campus promotes holistic development with a large playground with concrete fencing and entrance gate making it an attractive and secure recreational space. A canteen within the premises offers hygienic and affordable refreshments for students and staff. In line with our commitment to sustainability and environmental consciousness, solar panels have been installed, significantly reducing dependence on conventional energy sources. Statues of iconic thinkers and leaders—Swami Vivekananda, Rabindranath Tagore, Netaji Subhas Chandra Bose, and Ishwar Chandra Vidyasagar—grace the campus, serving as constant sources of inspiration. In alignment with the objectives of the National Education Policy (NEP) 2020, several infrastructure development projects are currently underway, including the construction of five new classrooms for the Hindi shift and six additional classrooms in the Arts and Humanities block to support growing enrollment and multidisciplinary learning. The long-cherished dream of college auditorium is now under active construction and is expected to be completed within the next two to three years, becoming a landmark facility for the institution. Furthermore, a dedicated space for Career Counselling Cell is being established to assist students with career planning and preparation for competitive examinations, with regular campus interviews and industry interaction programs aimed at enhancing employability and offering valuable placement opportunities. In alignment with the Government of India's educational reforms, the college is set to benefit from the One Nation One Subscription (ONOS) initiative, a Central Sector Scheme under the Ministry of Education (MoE), which has been implemented from January 2025. This initiative grants unified access to over 13,000 journals from 30 reputed publishers, significantly boosting academic and research capabilities across various disciplines.

### ***OLD HERITAGE BUILDING:***

The main building, primarily accommodating the science and Commerce departments, holds the distinction of being the designated Old Heritage Building, inaugurated by Dr. Bidhan Chandra Roy, the then Chief Minister of West Bengal. This iconic structure comprises 72 rooms, including 37 classrooms and a seminar hall-cum-ICT classroom. It also houses the centres for distance education such as IGNOU and NSOU, extending learning opportunities beyond the conventional classroom. In a recent development, a new, state-of-the-art computer laboratory is being set up in Block-A, featuring 40 high-end computers to facilitate

programming, data analysis, and IT-enabled learning across multiple academic disciplines. Additionally, the college seminar hall, Vivekananda Sabhagriha, has been attractively remodelled to better host seminars, webinars, workshops, student-teacher interaction programmes, and official meetings. The hall is now equipped with advanced audio-visual systems, high-speed internet, and a comfortable gallery-style seating arrangement, ensuring a modern and engaging space for academic and institutional activities.

### **HUMANITIES BUILDING**

This building houses all the Arts and Humanities departments. Apart from different departments, the Language lab is also situated in this building. It also accommodates the Digital Preservation Centre which works towards the digitization of old and rare historical documents. It has 29 rooms including 14 classrooms. An aesthetic flower garden adjacent to this building captures everyone's mind and sight. Recently, a butterfly garden has been constructed with the financial support of Department of Environment, Government of West Bengal, which has made the college environment eco-friendly and attractive.

### **BBA / BCA Building:**

This building houses departments that run the Professional Courses like BBA and BCA in the college. There are 12 rooms including 1 computer laboratory. This block also houses another separate library, catering to the specific requirements of students enrolled in the said courses. It further accommodates the NCC wing of the college, the Boys' Common Room and the Students' Union Room.

### **ADMINISTRATIVE AND CENTRAL LIBRARY BUILDING:**

The old administrative building houses the office of the Head-clerk. It also accommodates the Girls' Common Room. Our new Administrative Building was inaugurated by Sri Moloy Ghatak, Governing Body President, Banwarilal Bhalotia College, Asansol & Minister-In-Charge, Govt, of West Bengal in 2015. It houses the Principal's Chamber, the IQAC Office, Accounts Section & new Central Library. In addition, this building features a well-equipped, LAN- enabled computer laboratory primarily utilized for online examinations and student training. Central Library, a state-of- the-art knowledge hub that offers continuous academic support to all stakeholders is also housed in this building. In a progressive move to extend the reach of education, access to the library's reading room has also been granted to external users. To further assist students in achieving their academic and career goals, the library maintains

a dedicated collection of reference materials for competitive examinations such as UPSC, SSC, and banking. Moreover, the college provides free online coaching through smart interactive classrooms, creating an engaging and effective learning environment for all learners.

#### **HINDI SHIFT BUILDING:**

The Hindi Shift facilitates scholarly pursuits where Hindi is the medium of instruction. It is housed in a separate building adjacent to the main campus and consists of 5 classrooms and 1 seminar hall. In a bid to cater to the needs of ever-increasing number of students in our Hindi Shift, the college has enhanced the infrastructure by adding 4 large rooms on the second floor of the Hindi Shift building. Recently, an approach road of pavers block has been constructed through the adjacent garden. Many trees have been planted and beautification initiatives have been taken to make the garden attractive.

#### **BOYS' HOSTEL:**

The Boys' Hostel is one of the oldest buildings in our college. There are around 32 rooms which house more than 85 students in this hostel.

#### **GIRLS' HOSTEL:**

Promila Devi Women's Hostel is another beautiful addition to our infrastructure. There are around 38 rooms in this building. About 100 girls have made our hostel their home away from home.

#### **LABORATORIES:**

The college is equipped with 21 spacious and well-maintained laboratories across various departments including Chemistry, Physics, Botany, Zoology, Microbiology, Electronics, Environmental Science, and Geography, all furnished with modern instruments to meet the demands of the current curriculum and beyond. The Physics and Zoology departments also feature dedicated post-graduate laboratories. In addition, the institution houses well-equipped Computer Laboratories, including a central computer lab with a peer-to-peer network and internet access, supporting students in fulfilling essential curriculum requirements. In the post-COVID period, several advanced instruments have been added to enhance the teaching-learning experience, making it more realistic and engaging. As part of the implementation of the National Education Policy (NEP) 2020, laboratories are currently being upgraded with the procurement of modern equipment and improvements in infrastructure to foster hands-on learning, innovation, and research excellence across disciplines.

### ICT INFRASTRUCTURE:

The college has made significant strides in strengthening its ICT infrastructure to support both academic and administrative functions. A fully online admission system and the modernization of ICT facilities in administrative offices reflect the institution's commitment to digital advancement. Fourteen classrooms and seminar halls are now equipped with smart boards, projectors, screens, and high-end computers to facilitate dynamic and interactive teaching-learning experiences. In addition to departmental computers, a Central Computing Facility with approximately 120 systems serves as a vital resource for students and faculty, particularly aiding in the smooth conduct of online internal examinations. The college also boasts a functional Language Laboratory aimed at enhancing students' communication skills, especially in English, equipped with nine computer systems and the advanced Sanako software. A new, state-of-the-art computer lab is being developed in Block-A with 40 high-end computers to support programming, data analysis, and IT-enabled learning across disciplines. Our ICT preparedness proved invaluable during the COVID-19 lockdown, allowing uninterrupted academic activity through online classes, assignments, pre-recorded lectures, and access to open educational resources via a dedicated web page on the college website. This initiative was widely appreciated by students and the Higher Education Department, Government of West Bengal. In a major upgrade, the "Vivekananda Sabhagriha" seminar hall has been enhanced with modern audio-visual systems, high-speed internet, and comfortable seating arrangements, enabling the smooth conduct of seminars, webinars, workshops, and other academic interactions. Furthering our digital connectivity, the college has launched its official mobile application, *BB College e-Connect*, available on the Play Store, which offers easy access to academic and administrative information for students and staff alike, thus strengthening communication and digital engagement across the institution.

## BEYOND THE CLASSROOM: CO-CURRICULAR AND SOCIO-CULTURAL INITIATIVES

*The college is committed to the holistic development of its students, recognising the importance of nurturing intellectual, cultural, and social sensibilities. A diverse range of cultural activities, competitive events, and programmes addressing social issues are integrated into the curriculum as essential components of a well-rounded education.*

### **Birth/Death Anniversaries of Eminent Indians**

Such events are celebrated to imbibe and exhibit Indian cultural and patriotic values among one and all. The birth anniversaries of Netaji Subhas Chandra Bose, Rabindranath Tagore, Mahatma Gandhi, and Kazi Nazrul Islam, among others, are observed with due respect. National Youth Day is celebrated every year on the birth anniversary of Swami Vivekananda. The College also remembers Rabindranath Tagore and Shahid Khudiram Bose on their death anniversaries. Besides reminding our students of the contribution of eminent personalities to our nation, the college is committed to inspiring a spirit of national integration and patriotism among its students and staff. Thus, occasions like Independence Day and Republic Day are observed on campus with due care.

### **International Yoga Day**

The college is deeply concerned about the physical and mental health of its students and staff. International Yoga Day is observed to spread awareness of the benefits of Yoga and encourage students to engage in the same.

### **Antaryatik Matri Bhasa Divas**

International Mother Language Day (21<sup>st</sup> February) is observed annually to pay homage to our country's rich linguistic and cultural diversity. Eminent litterateurs are invited to deliver speeches. This day is celebrated with songs, dance performances, recitation competitions etc.

### ***International Women's Day***

The college celebrates International Women's Day with great enthusiasm, creating awareness about gender discrimination in society. Eminent personalities, especially those engaged in social work involving women empowerment, are invited to share their experiences. Various events like sit-and-draw and speech competitions are held to provide platforms to highlight and discuss gender issues.

### ***Rakhi Bandhan Utsav***

The Rakhi Bandhan Utsav symbolising unity and togetherness in the face of dangers and differences is celebrated enthusiastically every year by students and staff members.

### ***Saraswati Puja:***

Saraswati Puja is another festival celebrated every year at our college.

***Basanta Utsav:***

Spring festival & Bijaya Sammilani are special functions organised by students, teachers and staff to add to the cultural vibrancy of our college.

***Self-Defence Training Programme***

The College believes in and promotes gender equality among its students through workshops, seminars and awareness programmes. The Women Development Cell, BB College, organised a 5-day Self Defence Training Programme for female students on the college premises.

***Jadibuti divas******Annual Social Programme –Sanhati***

The college celebrates its annual social programme, Sanhati, during the spring season. Various cultural programmes, including poetry, drama, quiz/debates, and inter-departmental stall exhibition competitions, are organised. This programme lasts for three days, during which we witness the active and enthusiastic participation of students, teachers, and alumni members. The presence of celebrities adds charm to the programme.

## World Aids Day

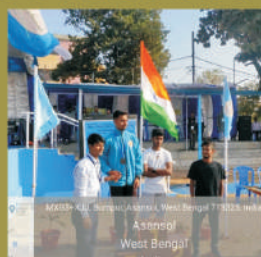

### Blood Donation Camp:

Blood Donation Camps are organised every year by the Students' Union of our college. In the past, several units of blood have been collected and deposited at the Asansol District Hospital. Blood Donation Camps and other health awareness programmes organised by our college get overwhelming responses from different strata of the society. We hope to continue many such endeavours in future.

## Sports

Every year, the college organises inter-class football and cricket tournaments as well as different inter-collegiate sports activities in its playground, which sees the active participation of students and teachers. The sports department is well-equipped with a range of sporting gear, including Cricket kits, footballs, Badminton rackets, shuttles, javelins, discuses, shot-puts, uniforms, nets, etc. Separate badminton courts are available for boys and girls, alongside a shared volleyball court. The common rooms of boys and girls are provided with indoor games such as table tennis, carrom, chess, etc. A Cricket coaching camp is held every Saturday and Sunday, where school and college students participate. Two separate concrete pitches have been prepared for cricket coaching purposes. The college gymnasium is adequately equipped to support students' training and fitness needs. Additionally, a dedicated recreation-cum-sports room is available for staff members, featuring a table tennis board and a carrom board. On one occasion, the college organised a quiz for sports enthusiasts. Students are also encouraged to participate in sporting events at the university, district and state levels.

## OUR CLUBS AND SOCIETIES

**Beagle Club**

The College hosts a Nature Club, 'Beagle', that creates awareness among students and staff members about environmental issues by organising seminars, workshops, poster competitions, nature walks etc. The Club has taken a pioneering role in improving the greenery in the college campus by organising occasional tree plantation programmes.

**Grass Table**

Grass Table is a quarterly Online Newsletter first published in October 2020. It provides an opportunity to publish poems, short stories, articles, photographs etc. The editorial board members are Dr. Amitava Basu, Principal and Editor in Chief, Dr. Soma Chakraborty, Sri Rajarshi Das, Dr. Santanu Banerjee, and Dr. Arunabha Sengupta. Recently, the editorial board has applied for e-ISSN for the Newsletter. Multiple issues of the Grass Table have been brought out since its inception.

**Meraki – The art and Photography club**

The College provides our students with the opportunity to interact with peers interested in photography and other artistic pursuits. The club members actively participate in stalls and organise competitions, which witness enthusiastic participation from students of the college.

**Meghe Dhaka Tara Cine Club**

The college also boasts of a Cine Club that aims to bring together the admirers of cinema in the city, primarily focusing on regional cinema that seems to have been ignored in the wake of mainstream Hindi films. The Cine Club was announced at the webinar on 15<sup>th</sup> October 2020 and has been functioning consistently since then.

## SWABALAMBAN CELL – WE STRIVE TO MAKE A DIFFERENCE IN THE LIVES OF OTHERS

On 15th July, 2022, Entrepreneurship Development Cell - Swabalamban was established to support women entrepreneurs of Asansol and its adjacent areas and to promote entrepreneurship among students. Both Asansol Merchants Chamber of Commerce & Industry and Asansol Chamber of Commerce had assured us of all possible assistance to make this endeavor a success. The Department of Commerce (Hindi Shift) is mainly looking after its operation. All the faculty members are working by putting every effort towards achieving its goal. Our faculty Dr. Santanu Mallick is currently the coordinator of this cell. The cell has collaborated with Empowering Women Globally EWG, previously it was known as TGLI, a cross-cultural training program for promoting entrepreneurship among women entrepreneurs and students by providing social entrepreneurial skills among them. It is mainly operating in the developing countries like Iraq, India and Brazil. We also received financial assistance from Rotary Club, Asansol.Wadhwani Foundation, Kanakdhara NGO and Maharaja Manindra Chandra College, Kolkata have signed MoU with the college to work together for the upliftment of the entrepreneurial activities among the students. There are also plans to organize awareness programs in other colleges of Asansol for the purpose creating awareness about entrepreneurship development among the students in the coming days. Some of our recent endeavours are mentioned below:

Invitation to Participate in the immersion programme at Bradley University, Peoria, IL, USA.

Global Faculty Director, Prof. Dr. Mary Conway Dato-on visited college and interacted with the entrepreneurs and students, listened their ideas.

Paper bag making workshop for tribal women in collaboration with the EWG.

Interact with the students of Government General Degree College, Kalna, Purba Bardhaman.

Inter college Business Quiz Competition to create awareness about entrepreneurship among the students

## CAREER COUNSELLING AND PLACEMENT CELL, BANWARILALBHALOTIA COLLEGE

**Introduction**

The Career Counselling and Placement Cell (CCPC) of BanwarilalBhalotia College is dedicated to guiding students towards successful careers. Through counselling, skill-building, industry collaborations, and job placement drives, the cell prepares students for their professional journeys. Under Principal Dr. Amitava Basu and Coordinator Dr. Arnab Ganguli, the cell serves a wide range of students.

**The CCPC's objectives include:**

*Career Counselling & Mentorship:* Providing career guidance, competitive exam preparation and scholarship information.

*Skill Development:* Training in resume writing, interview techniques, communication skills, and industry-specific knowledge.

*Industry Linkages & Placements:* Organizing campus recruitment drives.

*Entrepreneurial Support:* Connecting students with startup resources.

**Impact & Achievements**

*2022-2023 Session:* The cell organized recruitment drives (Bajaj Capital Ltd, SBI Life Insurance), awareness program (Agniveervayu, LIC), skill development workshops, and seminars.

*2023-2024 Session:* Collaborations with BYJU's, Edubridge Learning, Rudra Automotive Group, and Rentokil Pest Control provided career events and job placements.

Despite challenges, these engagements have enhanced students' career preparedness.

**Governance Structure**

*Principal:* Dr. Amitava Basu

*Coordinator:* Dr. Arnab Ganguli (email: aganguli@zoobbcollege.com, phone: +91 8637841394)

*Team Members:* Dr. Snigdha Roy, Ms. Piyali Paul Banerjee, Mr. Santosh Bhagat, Mr. Md. Arif Akhter, Dr. Shilpi Show Mandal, Dr. Abhik Ghosh, and Dr. Delawar Hussain

**Registration & Contact**

**Telegram Group:** <https://t.me/+RcFiZtzlK1ElyTOi>

**Google Form:** <https://forms.gle/nZPFmXS73cJZ3sYV6>

**Coordinator's Email:** aganguli@zoobbcollege.com

**Future Initiatives & Goals**

The CCPC will expand industry partnerships, increase student engagement, and improve placements. Future initiatives focus on enhancing training, incorporating AI-based tools, and strengthening corporate tie-ups to give students a competitive edge. All students are encouraged to participate in the cell's resources.

ASANSOL SOCIETY FOR SOCIAL WELFARE & YOUTH EMPOWERMENT, WEST BENGAL, INDIA  
COLLABORATION WITH BANWARILAL BHALOTIA COLLEGE

*Banwarilal Bhalotia College, Asansol, West Bengal and Asansol Society for Social Welfare & Youth Empowerment are linked by common social, academic and youth development interest and seek to develop collaboration in fields of shared interest and expertise. The MoU is signed on 15<sup>th</sup> March, 2023 to promote mutual cooperation between Asansol Society for Social Welfare & Youth Empowerment (ASSWYE) and Banwarilal Bhalotia College, Asansol. The Society was registered under Registration of Societies West Bengal Act XXVI of 1961- S/2 L/No. 49118 of 2015-2016 on 22<sup>th</sup> January 2016. Now it is also affiliated under NEHRU YUVA KENDRA, Durgapur, Ministry of Youth Affairs and Sports, Government of India (Certificate No-6218-0345).*

*The organization was established with the moto of promoting good and healthy practice to every youth. It is observed that the youth of this industrial coal belt were diverted towards unsocial activities and had lack of interest in physical exercise, sports, participation in cultural programs, and awareness for different competitive examinations for their future. Therefore involvement of youth in Scouting, Trekking, Swimming, Shooting and other different adventures activities will help them to change their mental and spiritual sense and develop their self-confidence and self-dependence. Such quality development will help them to get success in any field. Here lies the importance of Asansol Society for Social Welfare & Youth Empowerment (ASSWYE) which will help to promote and encourage advancement of academic and scientific education among the students.*

*Some of the recent activities taken by Asansol Society for Social Welfare & Youth Empowerment (ASSWYE) in collaboration with Banwarilal Bhalotia College include:*

***Blood Donation Camp in  
collaboration with NCC,  
Banwarilal Bhalotia College***

## *Cricket Match to involve youths in sports activity*

## *Cricket Match to involve youths in sports activity*

## *Fitness Workshop*

## *Yoga Session*

## NETAJI SUBHAS OPEN UNIVERSITY

**BANWARILAL BHALOTIA COLLEGE LEARNER SUPPORT CENTRE (C-02)****Coordinator:** Dr. Chanchal Kumar Biswas**Email:** [ckbbot@yahoo.com](mailto:ckbbot@yahoo.com)

Netaji Subhas Open University (NSOU) is the premier State Open University in India. The year 1997 marked the birth centenary of Netaji Subhas Chandra Bose. On this occasion, the Hon'ble Chief Minister of West Bengal announced the establishment of an Open University in Netaji's name. Accordingly, a State Act—W.B. Act (XIX) of 1997—was passed on 20th August 1997, and the university was recognized by the UGC. NSOU became the 14th Open University in the country and the 13th among the State Open Universities. It began its journey in July 1998 with a Bachelor's Degree Programme (BDP) in Arts and Commerce.

The B. B. College Learner Support Centre (LSC) of NSOU has been functional since the inception of the university, initially offering only Arts and Commerce subjects. In 2014, Honours courses in all Science subjects were introduced. At present, the centre offers eleven Honours subjects across Arts, Science, and Commerce streams: Bengali, English, Education, Political Science, History, Accountancy, Physics, Chemistry, Mathematics, Geography, Zoology, and Botany. The University adopted the **Choice Based Credit System (CBCS)** for undergraduate programs from the academic year 2021–2022. **From the upcoming academic session, the University is tentatively set to begin undergraduate programmes aligned with the National Education Policy (NEP) 2020**, ensuring a more flexible and multidisciplinary approach to higher education.

**Several postgraduate courses are also running successfully at the centre. These include:**

**Arts and Humanities:** Bengali (PGBG), English (PGEG), English Language Teaching (PGET), History (PGHI), Political Science (PGPS), Public Administration (PGPA), Education (PGED)

**Science and Commerce:** Mathematics (PGMT), Commerce (M.Com.)

**Professional Programs:** Social Work (MSW), Library and Information Science (MLIS), Journalism and Mass Communication (PGJM)

**Other Professional Courses Offered:**

The centre also offers a range of professional programs, including:

Bachelor in Library and Information Science (BLIS)

Postgraduate Diploma in Journalism and Mass Communication (PGDJMC)

Postgraduate Diploma in Public Relations and Advertising (PGDPR&Ad)

Postgraduate Diploma in English Language Teaching (PGDELT)

**Counseling and Induction:**

**Undergraduate counseling sessions**, including both theory and practical components are conducted at our Learner Support Centre (LSC). **Most postgraduate counseling sessions** are held at the Durgapur Regional Centre of NSOU. However, for some subjects, there is no fixed counseling venue; the University endeavors to arrange these sessions at the nearest available support centres for the convenience of learners.

For **eligibility criteria and course details**, candidates are encouraged to visit the [University Website](#) or contact the B. B. College Learner Support Centre in person on **Saturdays and Sundays between 12:00 noon and 4:00 pm.**

We organize an **Induction Programme** for every batch of newly admitted students. This year, an induction program was held on **23rd March** for new postgraduate students. Dignitaries from the parent institution were invited, including:

**Dr. Sudeshna Chatterjee** (Director, Study Centre and Registrar, NSOU)

**Dr. Prosenjit Bhattacharyay** (Deputy Director, Durgapur Regional Centre)

**Mrs. Nilanjana Chatterjee** (Assistant Director, NSOU), among others.

## **From the desk of the Coordinator, IGNOU study centre**

The Indira Gandhi National Open University (IGNOU), established by an Act of Parliament in 1985, has continuously striven to build an inclusive knowledge society through inclusive education. It has tried to increase the Gross Enrolment Ratio (GER) of the country by offering high-quality teaching through the Open and Distance Learning (ODL) mode. Today, it serves the educational aspirations of over 3 million students in India and abroad through 21 Schools of Studies. The University offers about 228 certificate, diploma, degree and doctoral programmes. The Indira Gandhi National Open University, the National Resource Centre for Open and Distance Learning, with international recognition and presence, shall provide seamless access to sustainable and learner-centric quality education, skill up gradation and training to all by using innovative technologies and methodologies and ensuring convergence of existing systems for large-scale human resource development, required for promoting integrated national development and global understanding. The University has made a significant mark in the areas of higher education, community education and continual professional development. The University has been networking with reputed public institutions and private enterprises for enhancing the educational opportunities being offered by it. As a world leader in distance education, it has been conferred with awards of excellence by the Commonwealth of Learning (COL), Canada, several times. The degrees diplomas/ certificates awarded by the university are at par and also have full recognition from the UGC as well as AICTE.

The University offers as many as 80 certificate programmes in different useful disciplines having minimum course duration of six months (with a maximum of 2 Years). Study centre at our college was established in 1998 and around 2500 learners enrolled every year in different courses of study. It was definitely an opportunities for the regular students of our college to pursue any certificate programmes in their own choice as an add-on programmes without devoting any extra time to the same. This may help in building carrier opportunities in future. The following certificate programmes are activated at our college study centre. Students may choose any of the following according to their own choice and convenience.

**Certificate in Environmental Studies (CES), Certificate Programme in Laboratory Techniques (CPLT), Certificate Programme Teaching of Primary School Mathematics (CTPM), Certificate Programme in Rural Development (CRD), Certificate in Food and Nutrition (CFN), Certificate in Nutrition and Childcare (CNCC), Certificate in Tourism Studies (CTS), Certificate in Information Technology (CIT), Certificate in Consumer Protection (CCP), Certificate in Guidance (CIG),**

The different courses available at our study centre along with the eligibility criteria, duration of the course and course fees are listed below for ready reference of the learners. The interested aspirants should get themselves admitted through online mode in either of the two sessions January and July every year. Most of the courses are offered in either English or Hindi medium. For all types of enquiry please contact the study centre on Saturdays and Sundays from 2:00 pm onwards or visit the websites [www.ignou.ac.in](http://www.ignou.ac.in) or [www.ignoukolkataarc.com](http://www.ignoukolkataarc.com)

**IGNOU PLUS** is one of the Best All-in-one App for all IGNOU students who are enrolling into courses run by IGNOU

**Maulana Azad National Urdu University (MANUU)** is a Central University, established by an Act of Parliament in 1998 with all India jurisdiction. The headquarters and main campus of MANUU is in Gachibowli, Hyderabad. It is spread over 200 acres. MANUU is recognized as a major higher education service provider across the remote areas of the country in Urdu Medium through its regular and distance mode programs. MANUU commenced with distance education programs in 1998 and consolidated its academic and research programs in 2004.

**The University is named after Maulana Abul Kalam Azad**, a scholar par excellence, a prolific writer, an inimitable orator, a gallant freedom fighter, a visionary of the post independent Indian education system and an architect of technical and scientific education in Independent India.

Presently, MANUU is in the process of consolidating the existing institutions, while expanding it to reach the unreached through various intervention measures. Further, to meet the rising aspirations of its youth ingeneral and Urdu speaking community in specific, the University is making considerable progress in all fronts of academics, research and governance with specific vision, mission and objectives.

### **Vision**

To provide access to quality education through Urdu as medium of instruction, while adhering to the inclusive policy

### **Mission**

To empower socially, economically, educationally and culturally marginalized sections of the society so that they are brought into the mainstream, and thereby contribute to the socio-economic development of the nation through formal and non-formal modes of educational delivery.

### **Medium of Instruction and Examinations**

#### **As per the Ordinance under MANUU Act:**

The question papers for all examinations shall be set and answered in Urdu language subject to the condition that question papers for all examinations in languages shall be set and answered in the respective languages. The University is in the process of fulfilling the Performance Radars stipulated by the UGC for norm based funding which reflects the quantifiable indicators on the all-round development and growth of the University in terms of Academic, Research and Governance functions.

The University has initiated its distance mode programmes from its year of inception. The DDE has set up 9 Regional Centres (Delhi, Patna, Bangalore, Bhopal, Darbhanga, Srinagar, Kolkatta, Mumbai, Ranchi) and 5 Sub-Regional Centres (Hyderabad, Jammu, Amravati, Lucknow, Nuh) across the country so as to provide academic and administrative support to the students.

**DIRECTORATE OF DISTANCE EDUCATION** Directorate of Distance Education (DDE) started its functioning from 1998, the year of inception of the university with distance mode BA program. At present, the Directorate offers UGC - Distance Education Bureau (DEB) approved distance mode programs at various levels viz., three PG (MA in Urdu, English and History); four UG programs (BA, B.Sc. -Life Science, B.Sc. -Physical Science and B.Ed); two Diplomas (Diploma in Journalism and Mass Communication, Diploma in Teach English) and Two certificate programs

(Proficiency in English through English and Functional English for Urdu Speakers). The Directorate plans to re-start B.Com. and M.A. (Islamic Studies), and to introduce new programs - MA (Arabic) and MA (Hindi) and few Diploma programs from the academic year 2018. The Directorate has set-up network of nine regional centers (at Bengaluru, Bhopal, Darbhanga, Delhi, Kolkata, Mumbai, Patna, Ranchi, Srinagar) and five Sub-regional centers (at Hyderabad, Lucknow, Jammu, Nuh and Amravati) to provide student support services and management of 158 Learners Support Centers spread across the country. The University has signed MoUs with some TV channels for imparting lessons to students through audio-visual media. The Directorate also endeavoring to achieve the goals providing online admissions, audio-visual aids along with printed Self Learning Material. All the programs are of DDE are offered on annual system. The University conducts term end examinations for all above mentioned programs offered by DDE every year. The Degrees, Diploma, Certificates awarded by the University are at par with the certificates of other Central Universities. As on date, there are approximately 40,000 students on DDE's rolls.
