### Recommendation

#### Academic Affairs:

- i. The College should think of introducing new courses with proper infrastructural support.
- ii. The continuous evaluation should be based on MCQ test/ Seminar/ Presentations/ Written tests/ Group work etc., or any combinations. It should be distributed over the entire semester. The modalities of such assessment should be recorded, and documents to be preserved.
- iii. The College is advised to take initiatives for more Collaborations/linkages for Faculty exchange, Student exchange, Internship, Field trip, On-the-job training, research.
- iv. The College is advised to take initiatives for new MoUs with Industries.
- v. The College should encourage students to continue capacity building and skills enhancement activities and documented in proper ways.

#### Infrastructure:

- i. The College should take steps to provide more number of smart classrooms/ ICT enabled classrooms.
- ii. The College is advised to increase the number of computers.

#### Library Infrastructure & Standards:

- i. The College should take steps to fulfill the requirements of print books, print journals, e-Books, e-Journals.
- ii. The College is advised to implement off-campus access to the library.
- iii. The College should provide RFID facilities.
- iv. The College should verify the stock of books periodically.
- v. The College should maintain users' feedback register in Library.

#### Others (If Any):

- i. The college should take steps for green audit.
