

## 1. Report on Creating Awareness for Plastic-Free Society

*Date: 22/3/23*

### **Introduction:**

Banwarilal Bhalotia College in Asansol has been actively engaging its students in various initiatives aimed at creating awareness for a plastic-free society. In recent times, there has been a growing concern about the adverse effects of plastic pollution on the environment, wildlife, and human health. In response to this, the students of Banwarilal Bhalotia College have taken proactive steps to educate themselves and others about the importance of reducing plastic usage and promoting eco-friendly alternatives.

### **Objective:**

The primary objective of the initiative was to raise awareness among students and the community about the harmful effects of plastic pollution and to encourage the adoption of sustainable practices.

### **Activities:**

**Educational Workshops:** The students organised educational workshops and seminars to educate their peers about the environmental impact of plastic pollution. These workshops covered topics such as the life cycle of plastic, its effects on marine life, and sustainable alternatives.

**Clean-up Drives:** The students actively participated in clean-up drives in and around the college campus to remove plastic waste. These drives not only helped in cleaning the surroundings but also served as a visual representation of the amount of plastic pollution present in the area.

**Awareness Campaigns:** Various awareness campaigns were organised, including posters, street plays, and social media campaigns. These initiatives aimed to reach a wider audience and convey the message of reducing plastic usage.

**Tree Plantation Drives:** Recognizing the importance of greenery in combating environmental issues, the students organised tree plantation drives to promote a greener and healthier environment.

**Promotion of Eco-friendly Alternatives:** The students promoted the use of eco-friendly alternatives to plastic, such as cloth bags, reusable water bottles, and biodegradable packaging. They collaborated with local businesses to encourage the adoption of sustainable practices.

### **Outcomes:**

**Increased Awareness:** The initiative successfully raised awareness among students and the community about the harmful effects of plastic pollution.

**Behaviour Change:** Many students and members of the community started adopting sustainable practices such as reducing single-use plastic and opting for eco-friendly alternatives.

**Community Engagement:** The initiative fostered community engagement and encouraged collaboration between students, faculty, and local residents to work towards a common goal of a plastic-free society.

**Institutional Support:** The college administration provided support and resources for the initiative, further enhancing its impact and sustainability.

### **Conclusion:**

The efforts of the students of Banwarilal Bhalotia College in creating awareness for a plastic-free society have been commendable. Through their dedication and proactive approach, they have not only educated themselves and others but also inspired positive behavioural changes towards a more sustainable future. It is hoped that their initiatives will continue to grow and inspire further action in the community, ultimately contributing to the goal of a cleaner and greener environment.

## **2. Report on Holi Celebration Program for Elderly Residents**

*Organised by Students of Banwarilal Bhalotia College, Asansol*

**Date:** 7/3/23

**Venue:** Sabera Old Age Home, Kalyanpur Housing, Asansol - 5

### **Introduction:**

The students of Banwarilal Bhalotia College, Asansol, organised a heartwarming program aimed at providing significance and recreation to the elderly residents of nearby Sabera Old Age Home, Kalyanpur Housing, Asansol - 5 during the festival of Holi on 7/3/23. This initiative sought to celebrate the spirit of Holi while also fostering a sense of community and care for the elderly.

### **Objective:**

- To bring joy and happiness to the elderly residents during the festival of colours.
- To provide an opportunity for students to engage with and serve the community.
- To promote intergenerational bonding and mutual respect.

## **Activities:**

**Colourful Celebration:** The event kicked off with a vibrant Holi celebration where students and elderly residents participated together. Colours were distributed, and everyone joined in the festivities, spreading joy and laughter.

**Cultural Performances:** Students prepared various cultural performances including songs, dances, and skits themed around Holi and traditional folk tales. These performances entertained the elderly residents and added to the festive atmosphere.

**Interactive Sessions:** To promote interaction and understanding between generations, interactive sessions were conducted where students and elderly residents shared their Holi memories, experiences, and wisdom. This facilitated meaningful exchanges and strengthened bonds.

**Art and Craft Activities:** Creative art and craft activities were organized, allowing both students and elderly residents to engage in hands-on activities and unleash their creativity. This provided a therapeutic outlet and a chance for self-expression.

**Refreshments and Snacks:** Refreshments and snacks were provided to all attendees, ensuring everyone felt cared for and valued. Special attention was given to dietary preferences and restrictions.

## **Impact:**

- The program brought immense joy and happiness to the elderly residents, many of whom may have felt isolated or neglected.
- Students gained valuable insights and appreciation for the experiences and wisdom of the elderly.
- Interactions between generations fostered a sense of empathy, respect, and understanding.
- The event strengthened the bond between the college and the local community, showcasing the college's commitment to social responsibility.

## **Conclusion:**

The Holi celebration program organised by the students of Banwarilal Bhalotia College, Asansol, was a resounding success, spreading happiness and fostering connections across generations. It exemplified the spirit of compassion, inclusion, and celebration, serving as a testament to the power of community engagement and collective joy.

### **3. Report of Tree Plantation Programme on College Foundation Day**

**Date:** 16/7/23

**Organiser:** Banwarilal Bhalotia College

**Introduction:**

Banwarilal Bhalotia College, in its continuous efforts towards environmental conservation and sustainable development, organised a tree plantation programme on 16/7/23. The event aimed to raise awareness about the importance of trees in mitigating climate change, enhancing biodiversity, and fostering a greener environment.

**Venue:**

The tree plantation programme took place within the premises of Banwarilal Bhalotia College. The chosen area provided ample space for planting a variety of saplings and ensuring their proper growth.

**Participants:**

The event saw active participation from students, faculty members, and staff of Banwarilal Bhalotia College. Additionally, local community members and environmental enthusiasts joined hands to contribute to the noble cause.

**Activities:**

**Inauguration Ceremony:** The programme commenced with an inauguration ceremony, graced by the presence of college authorities and distinguished guests. A brief introduction highlighting the significance of tree plantation was delivered, setting the tone for the event.

**Sapling Plantation:** Participants enthusiastically engaged in planting saplings of various native tree species. Guidance was provided on proper planting techniques to ensure the healthy growth of the saplings.

**Environmental Awareness Talks:** Concurrently, informative sessions were conducted by experts on environmental conservation, emphasising the crucial role of trees in maintaining ecological balance and combating climate change. Interactive discussions further enriched the learning experience.

**Cultural Performances:** To add vibrancy to the event, cultural performances such as music, dance, and skits with environmental themes were organised. These performances conveyed important messages about environmental stewardship and sustainability in an engaging manner.

**Refreshments and Networking:** Refreshments were served, fostering a sense of camaraderie among participants and providing an opportunity for networking and exchange of ideas regarding future environmental initiatives.

**Impact:**

The tree plantation programme yielded several positive outcomes:

- A significant number of saplings were planted, contributing to the expansion of green cover within the college premises.
- Participants gained valuable insights into the importance of environmental conservation and pledged to adopt eco-friendly practices in their daily lives.
- The event served as a platform for fostering community engagement and collaboration towards common environmental goals.

**Conclusion:**

The tree plantation programme organised by Banwarilal Bhalotia College exemplified its commitment to environmental sustainability and community welfare. Through collective efforts, the event succeeded in instilling a sense of environmental responsibility among participants while contributing to the preservation of nature for future generations. As we move forward, let us remain steadfast in our dedication to protecting the environment and continue to strive for a greener and healthier planet.

#### **4. Report of Blood Donation Camp**

**Date:** 19/2/23

**Location:** Deshbandhu United Club, Mohishila, Asansol

**Organised by:** NSS Unit, Banwarilal Bhalotia College

**Introduction:**

The NSS Unit of Banwarilal Bhalotia College organised a blood donation camp at Deshbandhu United Club in Mohishila, Asansol, with the aim of promoting voluntary blood donation and contributing to the noble cause of saving lives. The event was held in collaboration with local health authorities and received significant support from the community.

**Objectives:**

- To raise awareness about the importance of voluntary blood donation.

- To encourage individuals to participate in the noble act of saving lives through blood donation.
- To contribute to the blood banks' stock for emergency medical treatments.

### **Activities:**

**Pre-event Promotion:** The NSS Unit utilised various channels such as social media, posters, and word-of-mouth to spread awareness about the blood donation camp. Information regarding eligibility criteria, benefits of blood donation, and the significance of the event was disseminated among the target audience.

**Registration and Screening:** Upon arrival at the venue, prospective donors were guided through the registration process, where their personal details and medical history were recorded. Subsequently, they underwent a thorough medical screening conducted by qualified healthcare professionals to ensure their eligibility for blood donation.

**Blood Donation:** Eligible donors proceeded to the donation area where trained phlebotomists collected blood using sterile techniques and equipment. Donors were provided with refreshments and observed for a brief period post-donation to ensure their well-being.

**Education and Counseling:** Throughout the event, volunteers and healthcare professionals engaged with donors and attendees, providing information about blood donation, its impact on society, and dispelling any misconceptions or fears associated with the process. Counselling sessions were conducted to address any concerns and encourage continued participation in such initiatives.

**Post-event Follow-up:** Donors were advised on post-donation care and provided with contact information for any queries or concerns. Additionally, the NSS Unit expressed gratitude to all participants for their invaluable contribution to the success of the event.

### **Outcome:**

The blood donation camp witnessed enthusiastic participation from members of the community, including students, faculty, and local residents. A significant number of units of blood were collected, contributing to the blood banks' inventory and potentially saving numerous lives in times of need. The event successfully achieved its objectives of raising awareness, fostering a culture of voluntary blood donation, and engaging the community in a meaningful social cause.

### **Conclusion:**

The blood donation camp organised by the NSS Unit of Banwarilal Bhalotia College at Deshbandhu United Club, Mohishila, Asansol, exemplified the spirit of altruism and community service. Through collective efforts and support, the event made a positive impact on both donors and recipients, emphasising the importance of solidarity and compassion in addressing critical healthcare needs. The NSS Unit extends its appreciation to all stakeholders, volunteers, and donors for their unwavering dedication and commitment to saving lives through blood donation.

#### **5. Report on Safe Drive Save Life to generate road safety awareness in young minds Organised by Banwarilal College, Asansol**

**Date:** 17/2/23

**Venue:** Banwarilal College, Asansol

#### **Introduction:**

Banwarilal College in Asansol organised a comprehensive Road Safety Program named “Safe Drive Save Life” aimed at creating awareness among students and the community regarding the importance of road safety measures. The program was meticulously planned and executed to address various aspects of road safety and to promote a culture of responsible behaviour on the roads.

#### **Objectives:**

- To educate students and the community about the significance of road safety.
- To highlight common causes of road accidents and ways to prevent them.
- To promote adherence to traffic rules and regulations.
- To encourage the adoption of safe driving practices among motorists.

#### **Program Highlights:**

**Seminar and Workshops:** The program commenced with an enlightening seminar conducted by renowned experts in the field of road safety. The seminar covered topics such as the importance of wearing helmets and seat belts, avoiding drunk driving, and the significance of pedestrian safety. Workshops were also organised to provide practical knowledge on basic first aid techniques and road accident management.

**Interactive Sessions:** Interactive sessions were held to engage participants actively. Students were encouraged to share their experiences and insights regarding road safety issues. This encouraged peer learning and facilitated a better understanding of the subject matter.

**Demonstrations:** Practical demonstrations were conducted to showcase the proper usage of safety equipment such as helmets, seat belts, and reflective clothing. Additionally, demonstrations on defensive driving techniques were provided to emphasise proactive measures to avoid accidents.

**Awareness Campaigns:** The program included various awareness campaigns aimed at reaching out to the broader community. Posters, banners, and pamphlets were distributed to spread important messages about road safety. Additionally, street plays and skits were performed to convey key safety messages in an engaging manner.

**Collaboration with Authorities:** Banwarilal College collaborated with local traffic authorities and NGOs working in the field of road safety to enrich the program. Representatives from these organisations provided valuable insights and guidance, further enhancing the impact of the initiative.

### **Conclusion:**

The Road Safety Program organised by Banwarilal College, Asansol, was a resounding success, garnering active participation from students, faculty, and the local community. By fostering awareness, imparting knowledge, and promoting responsible behaviour, the program contributed significantly to the collective effort towards making roads safer for all. Such initiatives play a crucial role in reducing road accidents and saving precious lives.

Banwarilal College reaffirms its commitment to continue organising such programs in the future and encourages everyone to prioritise road safety in their daily lives.

## **6. Report on "Making Cleanliness in the Workplace Our Duty" , Swachh Bharat Abhiyan, Program at Banwarilal Bhalotia College, Asansol**

*Date: 2/12/22*

### **Introduction:**

Banwarilal Bhalotia College in Asansol organised a program titled "Making Cleanliness in the Workplace Our Duty," aligned with the Swachh Bharat Abhiyan initiative. The program aimed to instil a sense of responsibility towards cleanliness among staff and students, fostering a cleaner and healthier environment on campus.

### **Objectives:**

- Raise awareness about the importance of cleanliness in the workplace.
- Encourage active participation in maintaining cleanliness.
- Educate on waste management practices and their significance.

- Foster a sense of ownership and responsibility among the college community towards cleanliness.

### **Program Activities:**

**Awareness Sessions:** The program commenced with informative sessions on the significance of cleanliness, both from a personal hygiene and environmental perspective. Speakers highlighted the adverse effects of littering and improper waste disposal on health and the ecosystem.

**Interactive Workshops:** Engaging workshops were conducted to demonstrate effective waste management techniques, including segregation of waste, composting, and recycling. Participants were encouraged to actively engage and implement these practices in their daily routines.

**Cleanliness Drive:** A campus-wide cleanliness drive was organised, involving both students and staff. Teams were formed to clean various areas of the college premises, including classrooms, corridors, and outdoor spaces. The initiative aimed to create a visible impact and promote a culture of cleanliness.

### **Outcomes:**

**Increased awareness:** Participants gained a deeper understanding of the importance of cleanliness and its impact on health and well-being.

**Behaviour change:** The program succeeded in motivating individuals to adopt cleaner habits and take proactive steps towards waste management.

**Sense of ownership:** Through active participation in various activities, participants developed a sense of ownership and responsibility towards maintaining cleanliness in the workplace.

**Community engagement:** The program fostered a sense of community and collaboration among students, staff, and faculty members, promoting a collective effort towards a cleaner environment.

### **Conclusion:**

The "Making Cleanliness in the Workplace Our Duty", Swachh Bharat Abhiyan, program at Banwarilal Bhalotia College, Asansol, served as a significant step towards promoting cleanliness and hygiene on campus. By fostering awareness, encouraging participation, and instilling a sense of responsibility, the program contributed to creating a cleaner and healthier

workplace environment. Continued efforts and initiatives are essential to sustain this momentum and ensure a lasting impact on campus cleanliness.

## **7. Report on Awareness Drive on BIS Hallmarking, Quality Standards, and Quality Complaint Forum**

*Organised by Banwarilal Bhalotia College, Asansol*

**Date:** 6/1/23

### **Introduction:**

Banwarilal Bhalotia College in Asansol organised an awareness drive aimed at educating the general public about the importance of BIS (Bureau of Indian Standards) Hallmarking, quality standards, and the mechanisms available for quality complaint resolution. The initiative was led by the students of the college, who actively participated in planning and executing various activities throughout the event.

### **Objective:**

The primary objective of the awareness drive was to disseminate information regarding BIS Hallmarking, quality standards prevalent in various industries, and the avenues available for addressing quality complaints. The aim was to empower consumers with knowledge so that they could make informed decisions while purchasing products and to ensure they are aware of their rights in case of any quality issues.

### **Activities Conducted:**

**Workshops and Seminars:** The event kicked off with interactive workshops and seminars conducted by experts in the field. These sessions covered topics such as the significance of BIS Hallmarking in ensuring the purity of gold and silver, quality standards applicable to various consumer products, and the process of lodging quality complaints with relevant authorities.

**Demonstrations:** Practical demonstrations were organised to showcase the process of BIS Hallmarking and how consumers could identify genuine hallmarked products. Additionally, demonstrations were conducted to highlight the differences between products meeting quality standards and those that do not, emphasising the importance of making informed choices.

**Information Booths:** Information booths were set up where attendees could access informational materials, brochures, and pamphlets detailing BIS Hallmarking, quality standards, and procedures for lodging quality complaints. Volunteers were available at these booths to address any queries from the visitors.

**Interactive Sessions:** Interactive sessions were held where attendees could engage in discussions, ask questions, and share their experiences related to product quality and consumer rights. This provided an opportunity for participants to gain further clarity on the topics discussed and to exchange valuable insights.

**Awareness Campaign:** A comprehensive awareness campaign was conducted both on-campus and in surrounding communities to ensure maximum outreach. This included posters, banners, and social media promotions to attract a wider audience and encourage participation.

### **Outcomes:**

The awareness drive proved to be highly successful in achieving its objectives. Attendees, including students, faculty members, and members of the general public, expressed appreciation for the initiative and indicated that they found the information provided to be valuable and enlightening. Many attendees reported feeling more confident in making purchasing decisions and felt empowered with the knowledge to identify genuine, quality products. Additionally, the event succeeded in raising awareness about the avenues available for addressing quality complaints, thereby promoting consumer rights and accountability among businesses.

### **Conclusion:**

The awareness drive organised by Banwarilal Bhalotia College, Asansol, served as a commendable initiative to educate the public about BIS Hallmarking, quality standards, and mechanisms for quality complaint resolution. By empowering consumers with knowledge and fostering awareness about their rights, the event contributed towards promoting a culture of quality consciousness and consumer empowerment in the community. Such initiatives play a crucial role in ensuring consumer welfare and fostering trust between consumers and businesses.
