Creative Skill Development Workshop for students - Handicrafts from Home Wastes
Organized by Entrepreneurship Development Cell – Swabalamban

On 24th May, 2023 (Wednesday)

A workshop for the students was organized by *Entrepreneurship Development Cell – Swabalamban* on *24th May, 2023 (Wednesday)* to develop skills among the students. The theme of the workshop was to make home décor items with waste material like plastic bottles, old cloths, newspapers etc. 70 students from different departments had made their registrations for the programme. 28 students were selected to participate in the workshop. The workshop was inaugurated by the respected principal of the college. Priyali Sen & Soma Sen acted as the resource person of the workshop. There were no registration fees for the workshop and the materials required for the workshop were brought by the students and the resource person. Apart from training about the making of the décor items, the commercialization process of those décor items was also discussed. The participants have received *Certificate of Participation* after completion of the workshop.
